Are you sure you want to remove *Wines in the wilderness* : plays by African American women from the Harlem Renaissance to the present from your list? *Wines in the wilderness* : plays by African American women from the Harlem Renaissance to the present. Subjects. In library. This book has pictures of some of the literary greats and performers from the Harlem Renaissance period. It gives good biographical information on them and their contribution to the period. Very well done! Watson never does dive too deep in any single aspect of the Renaissance, instead preferring broad glances at the various aspects of the movement. However, most of his attention is guided by the lives of three of the decades leading writers, mentioned above. Their stories reveal that this was far from a cohesive movement, as each saw their role and obligations differently. Though they all began by embracing their color and culture, they soon diverted from each other. Start studying The Harlem Renaissance. Learn vocabulary, terms and more with flashcards, games and other study tools. The Harlem Renaissance provided a voice to the African American culture. Which of the following was a theme from this time period? All of the above. What was the condition of America's economy following World War I?
