Original character Anna is a transgender woman, and Jake introduced in

Well, firstly, it wasn't your cliched gay romance that you regularly read. It had a blind character which made the story all the more interesting. Secondly, the writing style is really good. Samuel R. Delany, among science fiction writers, was writing freely and imaginatively about gay and interracial relationships in the 1970s, notably in his most famous novel, *Dhalgren*. I would also recommend his *With Stars in My Pocket Like Grains of Sand*, if you can find it in print. Poised between the past and the future are the stories of now. Together, they reflect the vibrant possibilities available for young people learning to love others and themselves in today's multifaceted and quickly changing world. Maybe women are better listeners than men to begin with and they're listening to their characters' desires and predilections more closely than their male counterparts, who often seem like they're just listening to themselves. There are precious few stick figures in these books. 'The Sunlight Pilgrims'. Take the least-known first, the young Scotch writer Jenni Fagan ("The Panopticon"). I normally run the other way when I hear "dystopian" these days. I think that books and films plugging into paranoia about the "coming apocalypse" are too facile particularly when th From the Publisher: Original fiction by Edmund White, Andrew Holleran, James McCourt, Dale Peck, Bruce Benderson, and other leading gay authors-collected and introduced by Lambda Literary Award-winning editor Richard Canning. Certain to become a cornerstone of the gay literary tradition, *Between Men* brings together new and unpublished stories from eighteen of today's best gay writers. Edmund White delves into nineteenth-century Manhattan, re-imagining an encounter between author Stephen Crane and "The Painted Boy." Andrew Holleran brilliantly portrays how youth, beauty, and time
