In his introduction to Everything is Permitted: The Making of Naked Lunch,

The novel and its plot were the inspiration for the popular Assassin's Creed series of video games.[3] Many elements of the book's plot can be found in the first game, and the phrase from the novel under an alternative translation: "nothing is true; everything is permitted" is the guiding principle of the game's Order of Assassins—who are the fictionalized descendants of the Ismaili. Author William S. Burroughs found fascination within the story of Hassan-i-Sabbah and included the motto, "Nothing is true; everything is permitted", and many references to the Director: David Cronenberg. Starring: Bill Lee, Joan Lee, Joan Frost and others. In this adaptation of William S. Burroughs's hallucinatory, once-thought-unfilmable novel *Naked Lunch*, directed by David Cronenberg, a part-time exterminator and full-time drug addict named Bill Lee (Peter Weller) plunges into the nightmarish Interzone, a netherworld of sinister cabals and giant talking bugs. Alternately humorous and grotesque—and always surreal—the film mingles aspects of Burroughs's novel with incidents from the writer's own life, resulting in an evocative paranoid fantasy and a self-reflexive i
