Christology is the study of the Person and work of Jesus Christ. There are numerous important questions that Christology answers: Who is Jesus Christ? Almost every major religion teaches that Jesus was a prophet, or a good teacher, or a godly man. The virgin birth is a crucial biblical doctrine because it accounts for the circumvention of the transmission of the sin nature and allowed the eternal God to become a perfect man. What does it mean that Jesus is the Son of God? Jesus is not God's Son in the sense of how we think of a father/son relationship. God did not get married and have a son.
