This autobiography tells the story of Paddy Devlin, Belfast socialist and founder member of the Social Democratic and Labour Party. Customer reviews. 5.0 out of 5 stars. This book is absolutely essential reading for students of the troubles in Northern Ireland (particularly those with a more left-wing outlook). It crackles with the history of the 6 counties. We get a look at the earlie Gerry Adams, hear of Paisleys secret meetings with the SDLP in the 70s and learn a lot about the players in the early SDLP. An Autobiography or a Personal Memoir is an account of one's life history in one's own words. But what is the need of penning an Autobiography? Isn't it way too pontifying? No. Autobiography is not about crowing pedantry. The literary genre brings out the dark side of you in the most emotional way. And leaving that chance to someone may make a debacle of it. Because nobody can understand your life better than you. Below are some Autobiography Outline Examples for your use.
