The War against Regulation has been added to your Cart. Add to Cart. Turn on 1-Click ordering for this browser.Â  Particularly noteworthy is the analysis of the role of the White Houseâ€”from Carter to Bushâ€”in enabling a movement that has led to such disastrous economic and political consequences for the nation.”â€”Susan J. Tolchin, coauthor of *Dismantling America: The Rush to Deregulate*. "A superb book by a superb author, whose timing could hardly be better as we settle in for a long national debate over the urgent issue of regulation. Cooper may be the only author who can bring this kind of subject to life, but the lively quality of his writing takes nothing away from its instructive power."â€”
