ARGUING IMMIGRATION: The Debate Over the Changing Face of America edited by Nicolaus Mills (Touchstone: $12; 223 pp., paperback original). Collected from various mainstream publications, the essays in this anthology present moderate points of view in an increasingly acrimonious debate. The authors cite statistics on the contributions and costs of legal and illegal immigration, but rarely explain how the figures were calculated. The desire to appear both reasonable and politically correct forces the writers dance around the questions that make the issue a hot topic. Arguing Immigration: The has been added to your Cart. Add to Cart. Turn on 1-Click ordering. The editor of this book presents several different authors’ viewpoints about immigration into the United States. Many people of different backgrounds are presented here and compelling statements are made, discussing the ramifications of this hot topic right now. Read more. Comment | 2 people found this helpful.
