The "Odyssey" describes the world of women in Dark Age Greece, detecting apparent social dynamics, roles, and views held of the second sex. The epic was written at a time when women were taken a subservient and fawning position among men; their roles were almost limited to childbirth and domestic duties, so the facts of the poem gives and opportunity for readers to support and at the same time to refute that common belief of a women's reality in Ancient Greece. The most memorable and important women in the poem are Penelope, wife of Odysseus; Naussica, a young innocent maiden; and Anticleia, Odysseus's grieving mother who dwells in the Land of the Dead. Also such female characters as Arete, Circe, Calypso, Helen and Athena are impressive and intriguing.
