Max Turci. Chief official White House photographer Pete Souza has collected his favorite images of the year, either taken by himself or a member of his staff. Souza and his team have a talent for capturing the extraordinary, even in the most ordinary moments. Yes, the images are controlled and capture a very specific image of the president. We covered Souza's slightly looser Instagram account last week, if that's your thing. [PDF]-Download The Physics of Everyday Things: The Extraordinary Science Behind an Ordinary Day *PDF_Full* #kindle By James Kakalios. Mortonhorgan. Book Deskripsi: Physics professor, bestselling author, and dynamic storyteller James Kakalios reveals the mind-bending science behind the seemingly basic things that keep our daily lives running, from our smart phones and digital clouds to x-ray machines and hybrid vehicles. Most of us are clueless when it comes to the physics that makes our modern world so convenient. Breaking down the world of things into sections that outline a single day, Kakalios satisfies our curiosity about how our refrigerators keep our food cool, how a plane manages to remain airborne, and how our wrist fitness monitors keep track of our steps.
