It's THE way to make money while you sleep. Starting a website with Bluehost takes less than 20 minutes, costs hardly anything and can be done by an 82 year-old. It only takes a bit of plugging on social media to get your first visitors, and there are plenty of ways to monetise your site. Get started with our guide to making money as a private tutor. Sell your photos. If you think you've got a good shot and a little creativity, try uploading your photographs for free to stock websites. A good starting point is Adobe Stock or Getty Images. Make more money selling photo subjects that have fewer search results but you feel would have some demand. It might be a good idea to test them out in print first yourself (get free photo prints here). Rent out your car parking space. Before selling, it's best to make sure they are washed and cleaned. If not at least dust them off. And try to hunt down the original instructions and box if you have them. Example: Years ago I bought a Specialized Epic mountain bike on Craigslist for \$900 dollars when the retail price was around \$4,000 dollars. I kept it for 3 years and still ended up selling it for \$1,500! Even after 3 years, I was able to make a profit. The heavier it is, the more solid wood it is using. Negotiate and make sure you bring a friend along so you can carry the heavier pieces. Tip: Avoid particle board furniture like the ones you can find from IKEA.
