Times. 1917-1945, 1917 Russia - Post-Soviet Russia: The U.S.S.R. legally ceased to exist on December 31, 1991. The new state, called the Russian Federation, set off on the road to democracy and a market economy without any clear conception of how to complete such a transformation in the world's largest country. Like most of the other former Soviet republics, it entered independence in a state of serious disorder and economic chaos. Upon independence, Russia faced economic collapse. Economic reforms. Upon independence, Russia faced economic collapse. The new Russian government not only had to deal with the consequences of the mistakes in economic policy of the Gorbachev period, but it also had to find a way to transform the entire Russian economy.
