History buffs might be interested to know that the cemetery is the final resting place of Franz Kafka and Jan Palach. Off the Beaten Path in Prague - Vrbovice (Krymska). On the other hand, the hard truth is most of the millions of bloggers today don't make enough to support themselves just with their blogs. Let's take a look at what's involved. Advertisement. Blogging as an Occupation. Those who get a job with an established company can earn a good living right off the bat. Setting up and monetizing (ugh) your own blog, however, takes a lot more work, like starting your own business. There's no real career path or trajectory to base expectations on. Some people have made hundreds of thousands of dollars writing their blog (or sold their blogs for millions), while others have yet to make a cent from theirs. Should I Start My Own Business? Dear Lifehacker, I'm tired of the rat race and have been dreaming about starting my own - Read more Read.
