Had you asked me a few years ago how I felt about brick, I may have pulled a rather unenthusiastic expression. For the longest time, bricks lived in the same brain cell as bad developer houses from the 90s. Oh, how things have changed. I am now an obsessive convert. I've come to realize the immense magic of that modular block and its infinite possibilities. Theresia Bastion by Archaeus. Photo by Stefan Tuchila via ArchDaily. VM House by Vincent Van Duysen, Image via Vincent Van Duysen. Villa Rotondo by Bedaux de Brower Architecten. Photo by Michael Kievits via designboom. National Parliament Prince of Wales. Our Brickwork team lead takes care to ensure the requirements are met and we have never had any problems with the service provided. I highly recommend them to others considering this service." Adam Mitchell, Owner, Mitchell Companies. Brickwork Edge. Established delivery systems and procedures. Stringent quality and client feedback process.
