The Original book was Simply, 'The Great Vintage Wine Book' published in 1981 and depending on which you are looking for, you should be careful to note the publication dates to be assured you are ordering the version you want. I did order a copy of this edition, but it was sent wrapped as a gift, so I must return for a short addendum as soon as I have an opportunity to inspect the tome. This tome of wine reviews by the venerable Michael Broadbent has always been a favorite, especially when I go through my cellar looking for a special bottle of older Bordeaux. So I was glad to find the book through Amazon and so inexpensive. I ordered a copy as a Christmas present for my brother-in-law. The ordered arrived in time and was in great shape; as good as the bookseller promised. Wine. It was such an exotic thing. I think it's great, and I don't think people take it for granted in a bad way. Wine has just become part of our lives. And an interest in wine is just back from Asia is spreading throughout the globe. The book is actually a direct successor to a brilliant book that I used to use as my guide to Bordeaux by my predecessor at the Financial Times, Edmund Penning-Rowsell. He was chairman of the Wine Society and wrote a fantastic book called The Wines of Bordeaux, which was an increasingly thick Penguin paperback. What I loved about Edmund's style of writing, which I think, perhaps, mine is slightly like, is that he presents a lot of information a bit like Henry James and then, suddenly, as long as you're paying attention, there's a little wry joke in the middle. The great wine book. by Jancis Robinson. Published 1982 by Morrow in New York. Wine and wine making, In library, Protected DAISY. There's no description for this book yet. Can you add one? Edition Notes.
