It was first published by Oxford University Press in 1889, and a final revised edition was published in 1921. Bridges begins with a detailed empirical analysis of the blank verse of Paradise Lost, and then examines the changes in Milton's practice in his later poems Paradise Regained and Samson Agonistes. A third section deals with 'obsolete mannerisms'. The final section of the book presents a new system of prosody for accentual verse. (Classical Meters in English Verse is not directly related to Milton's Prosody, but was appended to the book because of Bridges's interest in the topic and "as a memorial to Stone's untimely death".[3]). Bridges, Robert (1904). Miltonic Elision.
