If this ancient Book of Exodus yields solid results to a sober devotional exposition in the nineteenth Christian century, if it is not an idle fancy that its teaching harmonises with the principles and theology of the New Testament, and even demands the New Testament as the true commentary upon the Old, what follows? How comes it that the oak is potentially in the acorn, and the living creature in the egg? No germ is a manufactured article: it is a part of the system of the universe Continue reading book >>.
