The Dutch describe the stretch of water between England and Holland as the "narrow sea". And so it has proved. Lisa Jardine begins her study of the intense and intimate relationship between the countries with an account of the invasion of William of Orange in 1688, designed to dislodge the increasingly disliked James II from the throne. It was a contest between Protestant and Catholic, between high-minded seriousness and intemperate extravagance. William came with 500 ships, 20,000 soldiers and 20,000 seamen. The Dutch had prepared a force four times as large as that of the Spanish Armada. It
