Team-building games and activities are a great tool for helping students learn to work together, listen carefully, communicate clearly, and think creatively. They also give your students the chance to get to know each other, build trust as a community and, best of all, have some fun! Here are 26 team-building activities that will teach your students these skills and more. 1. Art Reproduction Puzzle. Divide students into groups of six or eight (or larger if you want to make the task more difficult). Activity Village's Games pages - a huge resource of instructions for games of all kinds (card games, party games, outdoor games to name a few), printable games and online games - explore and enjoy! Can you amuse a large group of children? What about noisy activities for boisterous, bored kids? Card games, party games, quiet activities, energetic activities, indoor games, thinking games and outdoor activities - we have them all! We have tried to organize this section so that it is easy for you to find an idea for every occasion, and we are adding new games and activities constantly. Explore our kids games and activities below. Alternatively, you may browse all our children's games sorted alphabetically. All Games A-Z.
