Introductory Chinese A for Non-Background Students. ARTS1450. 6 Units of Credit. Subject Area: Chinese Studies. This is an introductory course in Modern Standard Chinese language (Mandarin) for non-background speakers. The course will start with basic components of Chinese language: the pinyin, and characters. It will teach you how the Chinese language works both grammatically and in socio-cultural contexts so that you start to develop your linguistic and communicative competences. The four language skills - Listening, Speaking, Reading, and Writing - are integrated throughout the course. A cu
