Joysprick: An Introduction to the Language of James Joyce is a work of literary criticism by Anthony Burgess. It was first published in 1973. The book is aimed at helping readers new to Joyce to appreciate his genius, and is a particularly useful guide through the complexities of *Finnegans Wake*. Burgess provided the following explanation of the book's title: "Any reader of *Finnegans Wake* will see that it is a fusion of Joycesprach, joystick, the prick that brings joy and the prick of conscience or agenbite of inwit." Trivia[edit]. Burgess reveals in his autobiography (You've I am a big fan of James Joyce, and this book clarifies the way Joyce uses language, especially in *Finnegans Wake*. Read more. 2 people found this helpful. It's a nice question why Burgess was so fond of inserting odd words in his fiction, most of which drove even literate readers to the unabridged dictionary. He claimed, I believe, that he had a right to use them because they were part of the language and appropriate to his literary designs; his critics--including me--would say that he needed a trademark, and couldn't manufacture another. If you want a lesson in English prose style of the mid-20th century, read a chapter by Burgess from, say, *THE WANTING SEED*, and a chapter from Kingsley Amis's *THE ALTERATION*. James Joyce.
