Hay, The Development of the British Welfare State, 1880-1975 1975.

The welfare state of the United Kingdom comprises expenditures by the government of the United Kingdom intended to improve health, education, employment and social security. The UK system has been classified as a liberal welfare state system. In 1984 historian Derek Fraser told the British story in a nutshell. The welfare state, he said: Germinated in the social thought of late Victorian liberalism, reached its infancy in the collectivism of the pre-and post-Great War statism, matured in the
