The bass clarinet is a musical instrument of the clarinet family. Like the more common soprano B♭ clarinet, it is usually pitched in B♭ (meaning it is a transposing instrument on which a written C sounds as B♭), but it plays notes an octave below the soprano B♭ clarinet. Bass clarinets in other keys, notably C and A, also exist, but are very rare (in contrast to the regular A clarinet, which is quite common in classical music). Bass clarinets regularly perform in orchestras, wind ensembles/concert Bass Clarinet Scale Book by Martin Arnold, contains two octave scales and various scale patterns in both treble and bass clefs for the low C and low Eb instruments. Also includes Klose type exercises focusing on the low notes for the low C instrument. California Residents: See Prop 65 WARNING. Company Information. About Us. Resources. Privacy Policy.
