1. The history of small towns and the mythology that grew up around them is amply described in a relatively neglected survey, Richard Lingeman, *Small Town America: A Narrative History, 1620â€”the Present* (New York: Putnam, 1980). Lingemanâ€™s book is no longer in print, and because of its scope necessarily paints with a broad brush, but it is replete with interesting details and anecdotes, and provides some useful information about small towns through the early 1970s. 2. Opinion polls offer varying impressions of Americansâ€™ attitudes toward small towns. Generally speaking, polls suggest that many Americans

Exploration of small town history in the United States; bibliography, notes, index, 547 pages. Free shipping over \$10.Â From Plymouth Rock to the shopping mall Main Streets of today, Lingeman chronicles the rise, and frequently the fall, of small towns from the Atlantic to the Pacific, viewing their growth within the context of American history.
