In July 1997, as the British government handed Hong Kong back to China, the world wondered whether the building blocks of democracy that had been hastily laid down in Hong Kong over the previous two decades were sturdy enough to withstand the change. While many scholars of democratization focus on outside forces and legal change.Â Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - no Kindle device required. Apple. Request PDF on ResearchGate | On Dec 1, 2000, James L. Perry and others published Hong Kong's Embattled Democracy: A Societal Analysis by Alvin Y. So.Â In 1968, Frederick Mosher published his influential book Democracy and the Public Service. This article revisits themes Mosher developed in the book to assess the status of our democracy in the context of a new public service. The author argues that the new public service poses significant challenges for democracy. One is that new public service is simultaneously more heterogeneous and more [Show full abstract] loosely tied to traditions of public service.
