FREE Shipping on \$25 or more! Pandora - Reclaiming Work: Beyond the Wage-Based Society. Reclaiming Work: Beyond the Wage-based Society è un libro di Andre. Over the last twenty--five years, Western societies have been reversing into the future.

To move beyond the wage-based society there will have to be a guaranteed adequate income for all, work will have to be redistributed and new forms of cooperation and exchange encouraged to create social bonds and social cohesion independent of wage relations. No problem: sorted. Of course, "prices will necessarily be political prices and the price system will reflect society's choice of a model of consumption and civilisation, its choice of a way of life". That may provoke a spot of bother, but what is so charming about Gorz's work is that one is so easily carried along by Request full-text. Reclaiming Work: Beyond the Wage-Based Society, Andr  Gorz. Article in Work Employment & Society 14(3):589-618   September 2000 with 42 Reads. DOI: 10.1017/S0950017000260364. Cite this publication.  Such histories serve to reinforce a   standard   account of science as   separate   from the rest of society, an account that is at odds with almost all contemporary sociology of science and science and technology studies. This prompts the question: why should I read histories of science? Read more.
