Was He a mere man who became God? Was He created by God the Father, or did He exist eternally with the Father? All of these ideas had their proponents. The unity of belief of the original Church was lost as new beliefs, many borrowed or adapted from pagan religions, replaced the teachings of Jesus and the apostles. Religion researcher Karen Armstrong explains in *A History of God* that "one of the first problems that had to be solved was the doctrine of God . . . a new danger arose from within which split Christians into bitterly warring camps" (1993, p. 106). Debate over the nature of God at the Council of Nicaea. Constantine convened the Council of Nicaea in the year 325 as much for political reasons "for unity in the empire" as religious ones. states what Christians believe God is like and who he is. plays a central part in Christians' worship of an "unobjectifiable and incomprehensible God". So the doctrine of the Trinity only attempts to provide a rudimentary sketch of the mystery of God's nature, rather than a full description of what God is like. God is a mystery, before which humanity should stand in awe. Why the Trinity is important. Before trying to understand the doctrine of the Trinity, it's vital to realise why it's important. Its purpose is not to provide factual knowledge of God's hidden nature of the sort that describes a dog as "having 4 legs, fur, barks, bites, domesticated by humankind etc". The doctrine of the Trinity has other functio
