argued here that national laws have 2.3 GOOD FAITH IN CIVIL AND COMMON LAW: AN OVERVIEW
Nanda, Breach and Adaptation of International Contracts.

Applying lex mercatoria to settle international trade disputes has a lot of advantages. By applying lex mercatoria, the parties avoid rules which are unfit for international contracts such as peculiar formalities, brief cut-off periods and special difficulties created by national laws. In addition to that, neither of the parties will have the advantage of having the dispute governed by his own law.
