Happy marriages thus aren't conflict-free, they're just infused with more positivity than negativity. This reserve of positivity acts as a buffer that mitigates and defuses the love-deteriorating effects of a couple's conflicts by absorbing these negative ripples and keeping them from spreading and overwhelming the relationship. Gottman calls this dynamic "positive sentiment override." Another way to look at this balance is in terms of a kind of "relationship bank account." Keeps conflict from overwhelming the marriage. Maintaining a well-funded relationship bank account not only shortens arguments, it ensures that they are gotten over quickly and have little lasting effect.
