Turning Point USA (TPUSA) is an American conservative nonprofit organization. Since 2016, Turning Point USA has maintained a Professor Watchlist, which lists college professors that it alleges discriminate against conservative students and advance left-wing propaganda in the classroom. The organization has also secretly attempted to influence student government elections in an effort to "combat liberalism on college and university campuses". The election of 1896 was the turning point in American Politics. Three political parties battled to win the election of 1896. The winning would be the one to change the shape of American politics. The panic of 1893 was one of the worst economic collapses in history. This restored Governor McKinley's stature in national politics and placed the Democrats on the defensive. The Republicans also supported the acquisition of Hawaii, construction of a canal across Central America, and expansion of the Navy. They also wanted equal pay for equal work for the women (Miller Center). The Democrats rallied behind William Jennings Bryan. America 1900 book.
