In Laos the New Year is a big deal and is celebrated for three days from April 13th-15th. The oldest modern human fossil was found in Lao and is estimated to be 46,000 years old.Â It's between a 12-15 hour flight to Laos from Australia depending on whether you depart from the east or west half of the country. The capital city of Vientiane serves as the international transport hub for Laos with a number of airlines operating indirect routes from Australia. Whether you're departing from Melbourne or Sydney, Thai Airways with Bangkok, and in conjunction with Emirates and Qantas on some routes, is the quickest option. Bamboo Palace. Skip to sections navigation Skip to content Skip to footer. Our network.Â And not only Luang Prabang, for Laos, as the author makes clear, offers many rich experiences. Vientiane, the capital, has a limited visual charm by comparison with the old royal capital, but few will fail to be impressed by its great Buddhist stupa, the Pha That Luang, a golden mass that shimmers in the morning sun and is thronged by pilgrims during a festival each November.
