THREE times in his memoir, Marlon Brando recalls women whose did in his 1991 study, Brando: A Life in Our Times, it would sound like

Brown's memoir is great on his years in the Treasury but suffers from his fixation with the leadership. The awful irony is that when he finally got the top job he found that he didn't have the temperament for it. At the time, he frequently looked swamped by the sheer volume and velocity of decision-making that is required of a modern prime minister. That feeling is confirmed by this book. While he writes with clarity, structure and confidence about his chancellorship, it is one-damn-crisis-after-another when we reach the chapters about his time as prime minister. He ruefully remarks: "It is often those with the best-laid plans who are most at the mercy of events." He fell out horribly with many World News Today Bollywood News New York Times Life Changing Memoirs Medical News Live News Daily News The Secret. More information. Saved by. Stephanie. 1.
