Northern Playground: An Idea becomes a SUCCESS STORY. The friends Jo and Magnus from Norway, who are outside in all weather conditions, know that problem very well. And have decided to do something about it. They did not want to ruin their special moments in nature with wet basic clothing. The two Norwegians tried their invention the next weekend and were thrilled. More and more friends who tested the Zipwear, asked immediately for supplies. Since then a lot has happened. Northern Playground's Zipwear enjoyed increasing demand. Because the benefits of Zipwear are simply obvious. The first wool collection came on the market in 2013 and in 2015 the young company was finalist ISPO Brand New and Winner of German Design Awards. "Norway: The Northern Playground" has long been regarded by many as an indispensable work on the region. So, if you're looking for the English language overview of the Norwegian mountains or just an exciting ripping yarn to while away a long winter's night, this book cannot be recommended enough. The revised 2003 edition will have a new introduction written by Tony Howard, renowned for the first successful ascent of Troll Wall and latterly, the desert climbs of Wadi Rum.
