THE Rules and By-Laws in the Manual of The First Church of Christ, Scientist, Boston, originated not in solemn conclave as in ancient Sanhedrim. They were not arbitrary opinions nor dictatorial demands, such as one person might impose on another. They were impelled by a power not one's own, were written at different dates, and as the occasion required. They sprang from necessity, the logic of events, — from the immediate demand for them as a help that must be supplied to maintain the dignity and defense of our Cause; hence their simple, scientific basis, and detail so requisite to demonstrate genuine Christian Science, and which will do for the race what absolute doctrines destined for future generations might not accomplish.

Tenets

of The Mother Church The First Church of Christ, Scientist

- 1 *To be signed by those uniting with The First Church of Christ, Scientist, in Boston, Mass.*
- 3 1. As adherents of Truth, we take the inspired Word of the Bible as our sufficient guide to eternal Life.
- 6 2. We acknowledge and adore one supreme and infinite God. We acknowledge His Son, one Christ; the Holy Ghost or divine Comforter; and man in
- 9 God's image and likeness.
- 12 3. We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that casts out evil as unreal. But the belief in sin is punished so long as the belief lasts.
- 15 4. We acknowledge Jesus' atonement as the evidence of divine, efficacious Love, unfolding man's unity with God through Christ Jesus the Way-shower;

From Science and Health with Key to the Scriptures by Mary Baker Eddy.

Page 16

- 1 and we acknowledge that man is saved through Christ, through Truth, Life, and Love as demonstrated by the

- 3 Galilean Prophet in healing the sick and overcoming
sin and death.
- 6 5. We acknowledge that the crucifixion of Jesus
and his resurrection served to uplift faith to under-
stand eternal Life, even the allness of Soul, Spirit, and
the nothingness of matter.
- 9 6. And we solemnly promise to watch, and pray
for that Mind to be in us which was also in Christ
Jesus; to do unto others as we would have them do
12 unto us; and to be merciful, just, and pure.

Historical Sketch

- 1 In the spring of 1879, a little band of earnest
3 seekers after Truth went into deliberations over
forming a church without creeds, to be called the
CHURCH OF CHRIST, SCIENTIST. They were mem-
6 bers of evangelical churches, and students of Mrs.
Mary Baker Eddy in Christian Science, and were
known as "Christian Scientists."

- 9 At a meeting of the Christian Scientist Association,
April 19, 1879, on motion of Mrs. Eddy, it was
voted, -- To organize a church designed to com-
memorate the word and works of our Master, which
12 should reinstate primitive Christianity and its lost
element of healing.

- 15 Mrs. Eddy was appointed on the committee to
draft the Tenets of the Mother Church -- the chief
corner stone whereof is, that Christian Science, as
18 taught and demonstrated by our Master, casts out
error, heals the sick, and restores the lost Israel:

Page 18

- 1 for "the stone which the builders rejected, the same
is become the head of the corner."
- 3 The charter for the Church was obtained June,
1879,* and the same month the members, twenty-six
6 in number, extended a call to Mary Baker Eddy
to become their pastor. She accepted the call,
and was ordained A. D. 1881. Although walking
9 through deep waters, the little Church went steadily
on, increasing in numbers, and at every epoch
saying,

"Hitherto hath the Lord helped us."

12 On the twenty-third day of September, 1892, at
the request of Rev. Mary Baker Eddy, twelve
15 of her students and Church members met and re-
organized, under her jurisdiction, the Christian
Science Church and named it, THE FIRST CHURCH
OF CHRIST, SCIENTIST.

18 At this meeting twenty others of Mrs. Eddy's
students and members of her former Church were
elected members of this Church, -- those with others
21 that have since been elected were known as "First
Members." The Church Tenets, Rules, and By-
Laws, as prepared by Mrs. Eddy, were adopted. A
24 By-Law adopted March 17, 1903, changed the
title of "First Members" to "Executive Members."
(On July 8, 1908, the By-Laws pertaining to "Ex-
27 ecutive Members" were repealed.)

Page 19

1 THE FIRST CHURCH OF CHRIST, SCIENTIST, IN BOS-
TON, MASS., is designed to be built on the Rock,
3 Christ; even the understanding and demonstration
of divine Truth, Life, and Love, healing and saving
the world from sin and death; thus to reflect in some
6 degree the Church Universal and Triumphant.

1 Church (also for the editors and the manager
of The Christian Science Publishing Society,
3 and the manager of the general Committee on
Publication in Boston) is one year each, dating
6 from the time of election to office. Incumbents
who have served one year or more, may be re-
elected, or new officers elected, at the annual
9 meeting held for this purpose, by a unanimous
vote of the Christian Science Board of Direc-
tors and the consent of the Pastor Emeritus
given in her own handwriting.

12 **Readers.** SECT. 4. Every third year Read-
ers shall be elected in The Mother Church by
the Board of Directors, which shall inform the
15 Pastor Emeritus of the names of its candidates
before they are elected; and if she objects, said
candidates shall not be chosen. The Directors
18 shall fix the salaries of the Readers.

Directors. SECT. 5. The Christian Science
Board of Directors shall consist of five members.
21 They shall fill a vacancy occurring on that Board
after the candidate is approved by the Pastor
Emeritus. A majority vote or the request of
24 Mrs. Eddy shall dismiss a member. Members
shall neither report the discussions of this Board,
nor those with Mrs. Eddy.

Page 27

1 **Church Business.** SECT. 6. The business
of The Mother Church shall be transacted by

3 its Christian Science Board of Directors. The
manager of the general Committee on Publi-
6 cation in the United States shall order no spe-
cial action to be taken by said Committee that
is not named in the Manual of this Church
without consulting with the full Board of Di-
9 rectors of The Mother Church and receiving
the written consent of said Board.

Publishing Buildings. SECT. 7. It shall be
12 the duty of the Christian Science Board of Di-
rectors to provide a suitable building for the
publication of *The Christian Science Journal*,
15 *Christian Science Sentinel*, *Der Herold der*
Christian Science, and all other Christian Sci-
ence literature published by The Christian Science
18 Publishing Society. It shall also be the duty
of the Christian Science Board of Directors to
provide suitable rooms, conveniently and pleas-
21 antly located in the same building, for the pub-
lication and sale of the books of which Mary
Baker Eddy is, or may be, the author, and of
24 other literature connected therewith.

Trusteeships and Syndicates. SECT. 8.
Boards of Trustees and Syndicates may be

Page 28

1 formed by The Mother Church, subject to the
approval of the Pastor Emeritus.

3 **Duties of Church Officers.** SECT. 9. Law
constitutes government, and disobedience to the
laws of The Mother Church must ultimate in
6 annulling its Tenets and By-Laws. Without a
proper system of government and form of ac-
tion, nations, individuals, and religion are un-
9 protected; hence the necessity of this By-Law
and the warning of Holy Writ: "That servant,
which knew his lord's will, and prepared not
12 himself, neither did according to his will, shall
be beaten with many stripes."

15 It is the duty of the Christian Science Board of
Directors to watch and make sure that the offi-
cers of this Church perform the functions of
their several offices promptly and well. If an
18 officer fails to fulfil all the obligations of his
office, the Board of Directors shall immediately
call a meeting and notify this officer either to

21 resign his place or to perform his office faith-
fully; then failing to do either, said officer shall
24 be dismissed from this Church, and his dismis-
sal shall be written on the Church records.

It is the duty of any member of this Church,
and especially of one who has been or who is

Page 29

1 the First Reader of a church, to inform the
Board of Directors of the failure of the Com-
3 mittee on Publication or of any other officer in
this Church to perform his of official duties. A
Director shall not make known the name of the
6 complainant.

If the Christian Science Board of Directors fails
9 to fulfil the requirements of this By-Law, and a
member of this Church or the Pastor Emeritus
shall complain thereof to the Clerk and the com-
plaint be found valid, the Directors shall resign
12 their office or perform their functions faithfully.
Failing to do thus, the Pastor Emeritus shall ap-
point five suitable members of this Church to fill
15 the vacancy. The salary of the members of the
Board of Directors shall be at present two thou-
sand five hundred dollars each annually.

Article II — READERS OF THE MOTHER CHURCH

21 Mother Church shall be a man and a woman,
one to read the BIBLE, and one to read SCIENCE
AND HEALTH WITH KEY TO THE SCRIPTURES.

Page 30

1 **Eligibility.** SECT. 2. The Directors shall
select intelligible Readers who are exemplary
3 Christians and good English scholars. They
must be members of The Mother Church.

Removal. SECT. 3. If a Reader in The
6 Mother Church be found at any time inadequate
or unworthy, he or she shall be removed from
office by a majority vote of the Board of Di-
9 rectors and the consent of the Pastor Emeritus,
and the vacancy supplied.

First Reader's Residence. SECT. 4. Unless

12 Mrs. Eddy requests otherwise, the First Reader
of The Mother Church shall occupy, during his
15 term of Readership, the house of the Pastor
Emeritus, No. 385 Commonwealth Avenue, Bos-
ton. The Board of Directors shall pay from
the Church funds the taxes and rent on this
18 property; the Board shall attend to the insur-
ance before it expires, suitably furnish the
house, and keep the property in good repair, so
21 long as Mrs. Eddy does not occupy the house
herself and the occupants are satisfactory to
her.

Page 31

Article III — DUTIES OF READERS OF THE MOTHER CHURCH AND OF ITS BRANCH CHURCHES

Moral Obligations. SECTION 1. The Readers
of The Mother Church and of all its branch
6 churches must devote a suitable portion of their
time to preparation for the reading of the Sunday
lesson, — a lesson on which the prosperity of
9 Christian Science largely depends. They must
keep themselves unspotted from the world, —
uncontaminated with evil, — that the mental at-
12 mosphere they exhale shall promote health and
holiness, even that spiritual animus so universally
needed.

15 **First Readers' Duties.** SECT. 2. It shall be
the duty of the First Readers to conduct the
principal part of the Sunday services, and the
18 Wednesday evening meetings.

Suitable Selections. SECT. 3. The First
21 Readers shall read, as a part of the Wednesday
evening services, selections from the SCRIPTURES,
and from SCIENCE AND HEALTH WITH KEY TO
THE SCRIPTURES.

Page 32

1 **Order of Reading.** SECT. 4. The First Read-
ers in the Christian Science churches shall read
3 the correlative texts in SCIENCE AND HEALTH
WITH KEY TO THE SCRIPTURES; and the Second
Readers shall read the BIBLE texts. The readings
6 from the SCRIPTURES shall precede the readings
from SCIENCE AND HEALTH. The Readers shall
not read from copies or manuscripts, but from
9 the books.

Naming Book and Author. SECT. 5. The
12 Readers of SCIENCE AND HEALTH WITH KEY TO
THE SCRIPTURES, before commencing to read
15 Such announcement shall be made but once
during the lesson.

Readers in Branch Churches. SECT. 6.
18 These Readers shall be members of The Mother
Church. They shall read understandingly and
21 be well educated. They shall make no remarks
explanatory of the LESSON-SERMON at any time,
24 but they shall read all notices and remarks that
may be printed in the CHRISTIAN SCIENCE QUAR-
TERLY. This By-Law applies to Readers in all
the branch churches.

Enforcement of By-Laws. SECT. 7. It shall

Page 33

1 be the duty of every member of The Mother
Church, who is a First Reader in a Church of
3 Christ, Scientist, to enforce the discipline and
by-laws of the church in which he is Reader.

A Reader not a Leader. SECT. 8. The Church
6 Reader shall not be a Leader, but he shall main-
tain the Tenets, Rules, and discipline of the
Church. A Reader shall not be a President of
9 a church.

CHURCH MEMBERSHIP

Article IV — QUALIFICATIONS FOR MEMBERSHIP

Believe in Christian Science. SECTION I.
6 To become a member of The Mother Church,
The First Church of Christ, Scientist, in Bos-
ton, Mass., the applicant must be a believer in
9 the doctrines of Christian Science, according to
the platform and teaching contained in the Chris-
tian Science textbook, SCIENCE AND HEALTH
12 WITH KEY TO THE SCRIPTURES, by Rev. Mary
Baker Eddy. The BIBLE, together with SCIENCE
AND HEALTH and other works by Mrs. Eddy,
shall be his only textbooks for self-instruction

15 in Christian Science, and for teaching and practicing metaphysical healing.

Free from Other Denominations. SECT. 2.
13 This Church will receive a member of another
Church of Christ, Scientist, but not a church
21 member from a different denomination until that
membership is dissolved.

Page 35

1 **Children when Twelve Years Old.** SECT. 3.
Children who have arrived at the age of twelve
3 years, who are approved, and whose applications
are countersigned by one of Mrs. Eddy's loyal students,
6 by a Director, or by a student of the Board
of Education, may be admitted to membership
with The Mother Church.

Article V — APPLICATIONS FOR MEMBERSHIP

12 Students of the College. SECTION 1. Applications for membership with The Mother Church
from students of the Massachusetts Metaphysical
15 College who studied with Rev. Mary Baker Eddy,
shall be signed by the Christian Science Board
of Directors as evidence of the loyalty of the
applicants .

18 **Other Students.** SECT. 2. Applicants for
membership who have not studied Christian Science
with Rev. Mary Baker Eddy, can unite
21 with this Church only by approval from students
of Mrs. Eddy, loyal to the teachings of the text-
book, SCIENCE AND HEALTH WITH KEY TO THE

Page 36

1 SCRIPTURES, or from members of The Mother
Church, as provided in Article VI, Sect. 2, of
3 these By-Laws.

6 **Students' Pupils.** SECT. 3. Applications for
membership with The Mother Church, coming
from pupils of loyal students who have taken
the Primary or Normal Course at the Massachusetts
9 Metaphysical College or in the Board
of Education, or from pupils of those who have
passed an examination by the Board of Education,
12 shall have the approval and signature of
their teachers, except in such cases as are provided
for in Sect. 4 of this Article.

15 **Exceptional Cases.** SECT. 4. Loyal Chris-
tian Scientists whose teachers are deceased, ab-
sent, or disloyal, — or those whose teachers, for
18 insufficient cause, refuse to endorse their appli-
cations for membership with The Mother Church,
— can apply to the Clerk of this Church, and
present to him a recommendation signed by three
21 members thereof in good standing, after which,
the unanimous vote of the Board of Directors
may admit said applicant to membership.

21 **Addressed to Clerk.** SECT. 5. All applica-
tions for membership must be addressed to the
Clerk of the Church.

Page 37

1 **Endorsing Applications.** SECT. 6. A mem-
ber of The Mother Church shall not endorse nor
3 countersign an application for membership there-
with until after the blank has been properly filled
out by an applicant. A member who violates
6 this By-Law shall be disciplined.

Notice of Rejection. SECT. 7. If an applica-
tion for membership with The First Church of
9 Christ, Scientist, in Boston, Mass., is rejected, the
Clerk of the Church shall send to the applicant a
notice of such rejection; but neither the Clerk
12 nor the Church shall be obliged to report the
cause for rejection.

Article VI — RECOMMENDATION AND ELECTION

Pupils of Normal Students. SECTION 1.
One Normal student cannot recommend the pupil
18 of another Normal student, so long as both are
loyal to their Leader and to the Christian Science
textbook, except as provided for in Article V,
21 Sect. 4.

Members of The Mother Church. SECT. 2.
Only members of The Mother Church are quali-

Page 38

1 fied to approve for membership individuals who
are known to them to be Christians, and faith-
3 ful, loyal students of the textbook, SCIENCE AND
HEALTH WITH KEY TO THE SCRIPTURES. If the
approver is not a loyal student of Mrs. Eddy, a

6 Director of this Church, or a student of the Board
of Education who holds a degree, the application
must be countersigned by one of these.

9 **Election.** SECT. 3. Applicants for member-
ship in this Church, whose applications are
correctly prepared, may be elected by majority
12 vote of the Christian Science Board of Direc-
tors at the semi-annual meetings held for this
purpose.

Article VII —PROBATIONARY MEMBERSHIP

18 **Members who once Withdrew.** SECTION 1.
Individuals who have heretofore been members
of this Church, or were members of the Church
of Christ, Scientist, organized in 1879 by Mary
21 Baker Eddy, but who have voluntarily with-
drawn, may be received into this Church on one
year's probation, provided they are willing and

Page 39

1 anxious to live according to its requirements and
make application for membership according to
3 its By-Laws. If, at the expiration of said one
year, they are found worthy, they shall be re-
ceived into full membership, but if not found
6 worthy their applications shall be void.

Members once Dismissed. SECT. 2. A full
9 member or a probationary member, who has
been excommunicated once, and who afterward,
when sufficient time has elapsed thoroughly to
12 test his sincerity, gives due evidence of having
genuinely repented and of being radically re-
formed, shall be eligible to probationary mem-
bership upon a unanimous vote of the Christian
15 Science Board of Directors.

Ineligible for Probation. SECT. 3. If a
18 member has been twice notified of his excom-
munication, he shall not again be received into
this Church.

Page 40

DISCIPLINE

Article VIII —GUIDANCE OF MEMBERS

A Rule for Motives and Acts. SECTION 1.
Neither animosity nor mere personal attachment

6 should impel the motives or acts of the members
of The Mother Church. In Science, divine Love
9 alone governs man; and a Christian Scientist
reflects the sweet amenities of Love, in rebuk-
ing sin, in true brotherliness, charitableness, and
12 forgiveness. The members of this Church should
daily watch and pray to be delivered from
all evil, from prophesying, judging, condemn-
ing, counseling, influencing or being influenced
15 erroneously.

To be Read in Church. SECT. 2. The
18 above Church Rule shall be read in The Mother
Church and in the branch churches by the First
Reader on the first Sunday of each month.
On Communion day the Church Tenets are to
21 be read.

Page 41

1 **Christ Jesus the Ensample.** SECT. 3. He
who dated the Christian era is the Ensample in
3 Christian Science. Careless comparison or irrev-
erent reference to Christ Jesus is abnormal in a
Christian Scientist, and is prohibited. When it is
6 necessary to show the great gulf between Chris-
tian Science and theosophy, hypnotism, or spirit-
ualism, do it, but without hard words. The wise
9 man saith, "A soft answer turneth away wrath."
However despitefully used and misrepresented
by the churches or the press, in return employ
12 no violent invective, and do good unto your
enemies when the opportunity occurs. A de-
parture from this rule disqualifies a member for
15 office in the Church or on the Board of Lec-
tureship, and renders this member liable to dis-
cipline and, possibly, dismissal from The Mother
18 Church.

Daily Prayer. SECT. 4. It shall be the duty
of every member of this Church to pray each
21 day: "Thy kingdom come;" let the reign of
divine Truth, Life, and Love be established in
me, and rule out of me all sin; and may Thy
24 Word enrich the affections of all mankind, and
govern them!

Page 42

Prayer in Church. SECT. 5. The prayers in
Christian Science churches shall be offered for
3 the congregations collectively and exclusively.

6 **Alertness to Duty.** SECT. 6. It shall be the
duty of every member of this Church to defend
himself daily against aggressive mental sugges-
tion, and not be made to forget nor to neglect
his duty to God, to his Leader, and to mankind.
9 BY his works he shall be judged, — and justified
or condemned.

12 **One Christ.** SECT. 7. In accordance with
the Christian Science textbooks, — the BIBLE,
and SCIENCE AND HEALTH WITH KEY TO THE
15 SCRIPTURES, — and in accord with all of Mrs.
Eddy's teachings, members of this Church shall
neither entertain a belief nor signify a belief in
more than one Christ, even that Christ whereof
18 the Scripture beareth testimony.

21 **No Malpractice.** SECT. 8. Members will not
intentionally or knowingly mentally malpractise,
inasmuch as Christian Science can only be prac-
tised according to the Golden Rule: "All things
whatsoever ye would that men should do to you,
24 do ye even so to them." (Matt. 7:12.)

A member of The Mother Church who men-
tally malpractises upon or treats our Leader or

Page 43

1 her staff without her or their consent shall be dis-
ciplined, and a second offense as aforesaid shall
3 cause the name of said member to be dropped
forever from The Mother Church.

6 **Formulas Forbidden.** SECT. 9. No member
shall use written formulas, nor permit his patients
or pupils to use them, as auxiliaries to teach-
ing Christian Science or for healing the sick.
9 Whatever is requisite for either is contained in
the books of the Discoverer and Founder of
Christian Science. Sometimes she may strengthen
12 the faith by a written text as no one else can.

15 **No Adulterating Christian Science.** SECT. 10.
A member of this Church shall not publish
profuse quotations from Mary Baker Eddy's
copyrighted works without her permission, and
shall not plagiarize her writings. This By-Law
18 not only calls more serious attention to the com-
mandment of the Decalogue, but tends to pre-
vent Christian Science from being *adulterated*.

21 **No Incorrect Literature.** SECT. 11. A mem-
ber of this Church shall neither buy, sell, nor cir-
24 culate Christian Science literature which is not
correct in its statement of the divine Principle
and rules and the demonstration of Christian
Science. Also the spirit in which the writer

Page 44

1 has written his literature shall be definitely con-
sidered. His writings must show strict adher-
3 ence to the Golden Rule, or his literature shall
not be adjudged Christian Science. A departure
from the spirit or letter of this By-Law involves
6 schisms in our Church and the possible loss, for
a time, of Christian Science.

Obnoxious Books. SECT. 12. A member of
9 this Church shall not patronize a publishing
house or bookstore that has for sale obnoxious
books.

12 **Per Capita Tax.** SECT. 13. Every member
of The Mother Church shall pay annually a per
capita tax of not less than one dollar, which shall
15 be forwarded each year to the Church Treasurer.

Church Periodicals. SECT. 14. It shall be the
privilege and duty of every member, who can
18 afford it, to subscribe for the periodicals which
are the organs of this Church; and it shall be
the duty of the Directors to see that these period-
21 icals are ably edited and kept abreast of the
times.

Church Organizations Ample. SECT. 15.
24 Members of this Church shall not unite with
organizations which impede their progress in
Christian Science. God requires our whole heart,

Page 45

1 and he supplies within the wide channels of The
Mother Church dutiful and sufficient occupation
3 for all its members.

Joining Another Society. SECT. 16. It shall
be the duty of the members of The Mother
6 Church and of its branches to promote peace on
earth and good will toward men; but members
of The Mother Church shall not hereafter be-

9 come members of other societies except those
specified in the Mother Church Manual, and
12 they shall strive to promote the welfare of all
mankind by demonstrating the rules of divine
Love.

Forbidden Membership. SECT. 17. A mem-
15 ber of The First Church of Christ, Scientist, in
Boston, Mass., shall not be a member of any
church whose Readers are not Christian Scientists
18 and members of The Mother Church.

Officious Members. SECT. 18. A member of
The Mother Church is not entitled to hold office
21 or read in branch churches of this denomination
except by invitation.

Legal Titles. SECT. 19. Students of Chris-
24 tian Science must drop the titles of Reverend and
Doctor, except those who have received these
titles under the *laws* of the *State*.

Page 46

1 **Illegal Adoption.** SECT. 20. No person shall
be a member of this Church who claims a spirit-
3 ually adopted child or a spiritually adopted hus-
band or wife. There must be legal adoption and
legal marriage, which can be verified according
6 to the laws of our land.

Use of Initials "C.S." SECT. 21. A member
of The Mother Church shall not place the initials
9 "C.S." after his name on circulars, cards, or
leaflets, which advertise his business or profes-
sion, except as a Christian Science practitioner.

12 **Practitioners and Patients.** SECT. 22. Mem-
bers of this Church shall hold in sacred confi-
15 dence all private communications made to them
by their patients; also such information as may
come to them by reason of their relation of prac-
titioner to patient. A failure to do this shall sub-
18 ject the offender to Church discipline.

A member of The Mother Church shall not,
21 under pardonable circumstances, sue his patient
for recovery of payment for said member's
practice, on penalty of discipline and liability
to have his name removed from membership.
24 Also he shall reasonably reduce his price in
chronic cases of recovery, and in cases where

he has not effected a cure. A Christian Scientist

Page 47

1 is a humanitarian; he is benevolent, forgiving,
3 long-suffering, and seeks to overcome evil with
good.

Duty to Patients. SECT. 23. If a member of
6 this Church has a patient whom he does not heal,
and whose case he cannot fully diagnose, he
9 may consult with an M. D. on the anatomy in-
volved. And it shall be the privilege of a Chris-
tian Scientist to confer with an M. D. on Ontol-
ogy, or the Science of being.

Testimonials. SECT. 24. "Glorify God in
12 your body, and in your spirit, which are God's"
(St. Paul). Testimony in regard to the healing
15 of the sick is highly important. More than a mere
rehearsal of blessings, it scales the pinnacle of
praise and illustrates the demonstration of Christ,
18 "who healeth all thy diseases" (Psalm 103:3).
This testimony, however, shall not include a de-
scription of symptoms or of suffering, though the
generic name of the disease may be indicated.
21 This By-Law applies to testimonials which appear
in the periodicals and to those which are given
at the Wednesday evening meeting.

24 **Charity to All.** SECT. 25. While members
of this Church do not believe in the doctrines
of theosophy, hypnotism, or spiritualism, they

Page 48

1 cherish no enmity toward those who do believe
3 in such doctrines, and will not harm them. But
whenever God calls a member to bear testimony
to Truth and to defend the Cause of Christ, he
shall do it with love and without fear.

6 **Uncharitable Publications.** SECT. 26. A
member of this Church shall not publish, nor
9 cause to be published, an article that is unchari-
table or impertinent towards religion, medicine,
the courts, or the laws of our land.

The Golden Rule. SECT. 27. A member of
12 The Mother Church shall not haunt Mrs. Eddy's
drive when she goes out, continually stroll by
her house, or make a summer resort near her
15 for such a purpose.

18 **Numbering the People.** SECT. 28. Christian
21 Scientists shall not report for publication the
 number of the members of The Mother Church,
 nor that of the branch churches. According to
 the Scripture they shall turn away from person-
 ality and numbering the people.

24 **Our Church Edifices.** SECT. 29. The period-
 icals of our denomination do not publish de-
 scriptions of our church edifices, but they may
 quote from other periodicals or give incidental
 narratives.

Page 49

1 **No Monopoly.** SECT. 30. A Scientist shall
3 not endeavor to monopolize the healing work in
6 any church or locality, to the exclusion of others,
 but all who understand the teachings of Christian
 Science are privileged to enter into this holy work,
 and "by their fruits ye shall know them."

9 **Christian Science Nurse.** SECT. 31. A mem-
12 ber of The Mother Church who represents him-
 self or herself as a Christian Science nurse shall
 be one who has a demonstrable knowledge of
 Christian Science practice, who thoroughly under-
 stands the practical wisdom necessary in a sick
 room, and who can take proper care of the sick.

13 The cards of such persons may be inserted in
 The Christian Science Journal under rules estab-
 lished by the publishers.

Article IX — MARRIAGE AND DECEASE

21 **A Legal Ceremony.** SECTION 1. If a Chris-
 tian Scientist is to be married, the ceremony
 shall be performed by a clergyman who is legally
 authorized.

24 **Sudden Decease.** SECT. 2. If a member of
 The Mother Church shall decease suddenly, with-
 out previous injury or illness, and the cause

Page 50

3 thereof be unknown, an autopsy shall be made
 by qualified experts. When it is possible the
 body of a female shall be prepared for burial by
 one of her own sex.

Article X — DEBATING IN PUBLIC

9 **No Unauthorized Debating.** SECTION 1. A member of this Church shall not debate on Christian Science in public debating assemblies, without the consent of the Board of Directors.

Article XI —COMPLAINTS

15 **Departure from Tenets.** SECTION 1. If a member of this Church shall depart from the Tenets and be found having the name without the life of a Christian Scientist, and another member in good standing shall from Christian motives make this evident, a meeting of the Board of Directors shall be called, and the offender's case shall be tried and said member exonerated, put on probation, or excommunicated.

21 **Violation of By-Laws.** SECT. 2. A member who is found violating any of the By-Laws

Page 51

1 or Rules herein set forth, shall be admonished in consonance with the Scriptural demand in
3 Matthew 18:15-17; and if he neglect to accept such admonition, he shall be placed on probation, or if he repeat the offense, his name shall be
6 dropped from the roll of Church membership.

9 **Violation of Christian Fellowship.** SECT. 3. Any member who shall unjustly aggrieve or vilify the Pastor Emeritus or another member, or who does not live in Christian fellowship with members who are in good and regular standing with this Church, shall either withdraw from the Church or be excommunicated.

15 **Preliminary Requirement.** SECT. 4. No church discipline shall ensue until the requirements according to the Scriptures, in Matthew 18:15-17, have been strictly obeyed, unless a
18 By-Law governing the case provides for immediate action.

21 **Authority.** SECT. 5. The Christian Science Board of Directors has power to discipline, place on probation, remove from membership, or to excommunicate members of The Mother Church.
24 Only the members of this Board shall be present at meetings for the examination of com-

plaints against church members; and they alone

Page 52

1 shall vote on cases involving The Mother Church
discipline.

3 **Members in Mother Church Only.** SECT. 6.
A complaint against a member of The Mother
Church, *if said member belongs to no branch*
6 *church* and if this complaint is not for *mental*
malpractice, shall be laid before this Board, and
within ten days thereafter, the Clerk of the
9 Church shall address a letter of inquiry to the
member complained of as to the validity of
the charge. If a member is found guilty of that
12 whereof he is accused and his previous character
has been good, his confession of his error and
evidence of his compliance with our Church
15 Rules shall be deemed sufficient by the Board
for forgiveness for once, and the Clerk of the
Church shall immediately so inform him. But
18 a second offense shall dismiss a member from
the Church.

21 **Working Against the Cause.** SECT. 7 . If a
member of this Church shall, mentally or other-
wise, persist in working against the interests of
another member, or the interests of our Pastor
24 Emeritus and the accomplishment of what she
understands is advantageous to this Church and
to the Cause of Christian Science, or shall influ-

Page 53

1 ence others thus to act, upon her complaint or
the complaint of a member for her or for himself,
3 it shall be the duty of the Board of Directors
immediately to call a meeting, and drop forever
the name of the member guilty of this offense
6 from the roll of Church membership.

No Unchristian Conduct. SECT. 8 . If a
9 member of this Church were to treat the author
of our textbook disrespectfully and cruelly, upon
her complaint that member should be excommu-
nicated. If a member, without her having re-
12 quested the information, shall trouble her on
subjects unnecessarily and without her consent,
it shall be considered an offense.

15 **Not to Learn Hypnotism.** SECT. 9. Mem-
bers of this Church shall not learn hypnotism
18 on penalty of being excommunicated from this
Church. No member shall enter a complaint of
mental malpractice for a sinister purpose. If
21 the author of SCIENCE AND HEALTH shall bear
witness to the offense of mental malpractice, it
shall be considered a sufficient evidence thereof.

24 **Publications Unjust.** SECT. 10. If a mem-
ber of the Mother Church publishes, or causes
to be published, an article that is false or unjust,
hence injurious, to Christian Science or to its

Page 54

1 Leader, and if, upon complaint by another mem-
ber, the Board of Directors finds that the offense
3 has been committed, the offender shall be sus-
pended for not less than three years from his
or her office in this Church and from Church
6 membership.

**The Mother Church of Christ, Scientist,
Tenets.** SECT. 11. If a member of The Mother
9 Church of Christ, Scientist, or a member of a
branch of this Church break the rules of its
Tenets as to unjust and unmerciful conduct —
12 on complaint of Mrs. Eddy our Pastor Emeritus
-- and this complaint being found valid, his or
her name shall be erased from The Mother
15 Church and the branch church's list of mem-
bership and the offender shall not be received
into The Mother Church or a branch church
18 for twelve years.

Special Offense. SECT. 12. If a member of
this Church, either by word or work, represents
21 falsely to or of the Leader and Pastor Emeritus,
said member shall immediately be disciplined, and
a second similar offense shall remove his or her
24 name from membership in The Mother Church.

Members of Branch Churches. SECT. 13. A
member of both The Mother Church and a branch

Page 55

1 Church of Christ, Scientist, or a Reader, shall not
report nor send notices to The Mother Church,
3 or to the Pastor Emeritus, of errors of the mem-
bers of their local church; but they shall strive
to overcome these errors. Each church shall

6 separately and independently discipline its own
members, — if this sad necessity occurs.

Article XII —TEACHERS

12 **Probation.** SECTION 1. For sufficient rea-
sons it may be decided that a teacher has so
strayed as not to be fit for the work of a Reader
in church or a teacher of Christian Science.
15 Although repentant and forgiven by the Church
and retaining his membership, this weak member
shall not be counted loyal till after three years
of exemplary character. Then the Board of
18 Directors may decide if his loyalty has been
proved by uniform maintenance of the life of
a consistent, consecrated Christian Scientist.

21 **Misteaching.** SECT. 2. If a member of this
Church is found trying to practise or to teach
Christian Science contrary to the statement
24 thereof in its textbook, SCIENCE AND HEALTH

Page 56

1 WITH KEY TO THE SCRIPTURES, it shall be the
duty of the Board of Directors to admonish
3 that member according to Article XI, Sect. 4.
Then, if said member persists in this offense,
his or her name shall be dropped from the roll
6 of this Church.

MEETINGS

Article XIII — REGULAR AND SPECIAL MEETINGS

12 **Annual Meetings.** SECTION 1. The regular
meetings of The Mother Church shall be held
annually, on Monday following the first Sunday
in June. No other than its officers are required
to be present. These assemblies shall be for
15 listening to the reports of Treasurer, Clerk, and
Committees, and general reports from the Field.

18 **Meetings of Board of Directors.** SECT. 2.
The annual meeting of the Christian Science
Board of Directors, for electing officers and
other business, shall be held on Monday preced-
21 ing the annual meeting of the Church. Regular
meetings for electing candidates to membership

Page 57

1 with The Mother Church, and for the transac-
tion of such other business as may properly come
3 before these meetings, shall be held on the Fri-
day preceding the first Sunday in June, and on
the first Friday in November of each year. Spe-
6 cial meetings may be held at any time upon the
call of the Clerk.

9 **Called only by the Clerk.** SECT. 3. Before
calling a meeting of the members of this Church
(excepting its regular sessions) it shall be the
12 duty of the Clerk to inform the Board of Di-
rectors and the Pastor Emeritus of his intention,
and to state definitely the purpose for which the
members are to convene. The Clerk must have
15 the consent of this Board and the Pastor Emer-
itus, before he can call said meeting.

CHURCH SERVICES

Article XIV — THE CHRISTIAN SCIENCE PASTOR

6 **Ordination.** SECTION 1. I, Mary Baker
Eddy, ordain the BIBLE, and SCIENCE AND
HEALTH WITH KEY TO THE SCRIPTURES, Pastor
over The Mother Church, — The First Church
of Christ, Scientist, in Boston, Mass., — and
9 they will continue to preach for this Church
and the world.

12 **The Lesson-Sermon.** SECT. 2. The subject
of the Lesson-Sermon in the morning service of
The Mother Church, and of the branch Churches
of Christ, Scientist, shall be repeated at the other
15 services on Sunday. The correlative Biblical
texts in the Lesson-Sermon shall extend from
Genesis to Revelation.

Article XV —READING IN PUBLIC

21 **Announcing Author's Name.** SECTION 1.
To pour into the ears of listeners the sacred

Page 59

1 revelations of Christian Science indiscriminately,
or without characterizing their origin and thus
3 distinguishing them from the writings of authors
who think at random on this subject, is to
lose some weight in the scale of right think-

6 ing. Therefore it is the duty of every member
of this Church, when publicly reading or quot-
9 ing from the books or poems of our Pastor
Emeritus, first to announce the name of the
author. Members shall also instruct their pupils
12 to adopt the aforementioned method for the benefit
of our Cause.

Article XVI —WELCOMING STRANGERS

15 **The Leader's Welcome.** SECTION 1. Mrs.
Eddy welcomes to her seats in the church,
18 persons of all sects and denominations who
come to listen to the Sunday sermon and are
not otherwise provided with seats.

21 **The Local Members' Welcome.** SECT. 2. It
shall be the duty and privilege of the local mem-
bers of The Mother Church to give their seats, if
24 necessary, to strangers who may come to attend
the morning services.

Page 60

Article XVII —SERVICES UNINTERRUPTED

3 **Continued Throughout the Year.** SECTION 1.
The services of The Mother Church shall be
continued twelve months each year. One meet-
6 ing on Sunday during the months of July and
August is sufficient. A Christian Scientist is
not fatigued by prayer, by reading the Scriptures
9 or the Christian Science textbook. Amusement
or idleness is weariness. Truth and Love rest
the weary and heavy laden.

12 **Easter Observances.** SECT. 2. In the United
States there shall be no special observances,
festivities, nor gifts at the Easter season by
15 members of The Mother Church. Gratitude
and love should abide in every heart each day
of all the years. Those sacred words of our
18 beloved Master, "Let the dead bury their dead,"
and "Follow thou me," appeal to daily Christian
endeavors for the living whereby to exemplify
21 our risen Lord.

24 **Laying a Corner Stone.** SECT. 3. No large
gathering of people nor display shall be allowed
when laying the Corner Stone of a Church of
Christ, Scientist. Let the ceremony be devout.

Page 61

1 No special trowel should be used. (See SCIENCE
AND HEALTH, page 140.)

3 **Overflow Meetings.** SECT. 4. A Church of
Christ, Scientist, shall not hold two or more
Sunday services at the same hour.

Article XVIII — COMMUNION

9 **No more Communion.** SECTION 1. The
Mother Church of Christ, Scientist, shall observe
no more Communion seasons.

12 **Communion of Branch Churches.** SECT. 2.
The Communion shall be observed in the branch
churches on the second Sunday in January and
15 July of each year, and at this service the Tenets
of The Mother Church are to be read.

Article XIX — MUSIC IN THE CHURCH

18 **Soloist and Organist.** SECTION 1. The music
in The Mother Church shall not be operatic, but
21 of an appropriate religious character and of a
recognized standard of musical excellence; it
shall be played in a dignified and suitable man-
24 ner. Music from the organ alone should con-
tinue about eight or nine minutes for the

Page 62

1 voluntary and six or seven minutes for the post-
lude, the offertory conforming to the time re-
3 quired to take the collection. The solo singer
shall not neglect to sing any special hymn selected
by the Board of Directors.

Article XX — SUNDAY SCHOOL

9 **The Sunday School.** SECTION 1. Pupils may
be received in the Sunday School classes of any
Church of Christ, Scientist, up to the age of
12 twenty years, and by transfer from another
Church of Christ, Scientist, up to that age, but
no pupil shall remain in the Sunday School of
any Church of Christ, Scientist, after reaching
15 the age of twenty. None except the officers,
teachers, and pupils should attend the Sunday
School exercises.

18 **Teaching the Children.** SECT. 2. The
Sabbath School children shall be taught the
21 Scriptures, and they shall be instructed ac-
cording to their understanding or ability to grasp
the simpler meanings of the divine Principle that
they are taught.

24 **Subject for Lessons.** SECT. 3. The first
lessons of the children should be the Ten Com-

1 mandments (Exodus 20: 3-17), the Lord's
3 Prayer (Matt. 6: 9-13), and its Spiritual In-
terpretation by Mary Baker Eddy, Sermon on
the Mount (Matt. 5: 3-12). The next les-
6 sons consist of such questions and answers as
are adapted to a juvenile class, and may be
found in the Christian Science Quarterly Lessons,
9 read in Church services. The instruction given
by the children's teachers must not deviate from
the absolute Christian Science contained in their
textbook.

READING ROOMS

Article XXI

15 **Establishment.** SECTION 1. Each church of
the Christian Science denomination shall have
a Reading Room, though two or more churches
18 may unite in having Reading Rooms, provided
these rooms are well located.

21 **Librarian.** SECT. 2. The individuals who
take charge of the Reading Rooms of The
Mother Church shall be elected by the Christian
Science Board of Directors, subject to the ap-
24 proval of Mary Baker Eddy. He or she shall
have no bad habits, shall have had experience in

1 the Field, shall be well educated, and a devout
Christian Scientist.(1)

3 **Literature in Reading Rooms.** SECT. 3. The
literature sold or exhibited in the reading rooms
of Christian Science Churches shall consist only
6 of *Science and Health with Key to the Scrip-
tures*, by Mary Baker Eddy, and other writings
by this author; also the literature published or
9 sold by The Christian Science Publishing Society.

RELATION AND DUTIES OF MEMBERS TO PASTOR EMERITUS

Article XXII

The Title of Mother Changed. SECTION 1.
In the year eighteen hundred and ninety-five,

15 loyal Christian Scientists had given to the author
of their textbook, the Founder of Christian Sci-
18 ence, the individual, endearing term of Mother.
At first Mrs. Eddy objected to being called thus,
but afterward consented on the ground that this
21 appellative in the Church meant nothing more
than a tender term such as sister or brother. In
the year nineteen hundred and three and after,
owing to the public misunderstanding of this
24 name, it is the duty of Christian Scientists to

(1)See also Article XXV, Sect. 7.

Page 65

1 drop the word *mother* and to substitute Leader,
already used in our periodicals.

3 **A Member not a Leader.** SECT. 2. A
member of The First Church of Christ, Sci-
entist, in Boston, Mass., shall not be called
6 Leader by members of this Church, when this
term is used in connection with Christian
Science .

9 **Obedience Required.** SECT. 3. It shall be
the duty of the officers of this Church, of the
editors of the *Christian Science Journal*, *Sen-*
12 *tinel*, and *Der Herold*, of the members of the
Committees on Publication, of the Trustees of
The Christian Science Publishing Society, and
15 of the Board of Education promptly to comply
with any written order, signed by Mary Baker
Eddy, which applies to their official functions.
18 Disobedience to this By-Law shall be sufficient
cause for the removal of the offending member
from office.

21 The vacancy shall be supplied by a majority
vote of the Christian Science Board of Direc-
tors, and the candidate shall be subject to the
24 approval of Mary Baker Eddy.

Understanding Communications. SECT. 4.
If the Clerk of this Church shall receive a com-

Page 66

1 munication from the Pastor Emeritus which he
does not fully understand, he shall inform her
3 of this fact before presenting it to the Church
and obtain a clear understanding of the matter,
— then act in accordance therewith.

6 **Interpreting Communications.** SECT. 5. If
at a meeting of this Church a doubt or dis-
9 agreement shall arise among the members as to
the signification of the communications of the
Pastor Emeritus to them, before action is taken
12 it shall be the duty of the Clerk to report to her
the vexed question and to await her explanation
thereof.

15 **Reading and Attesting Letters.** SECT. 6.
When a letter or a message from the Pastor
Emeritus is brought before a meeting of this
18 Church, or she is referred to as authority for
business, it shall be the duty of the Church to
inquire if all of the letter has been read, and to
21 require all of it to be read; also to have any
authority supposed to come from her satisfac-
torily attested.

24 **Unauthorized Reports.** SECT. 7. Members
of this Church shall not report on authority an
order from Mrs. Eddy that she has not sent,
either to the Boards or to the executive bodies

Page 67

1 of this Church. The Pastor Emeritus is not to
be consulted on cases of discipline, on the cases
3 of candidates for admission to this Church, or
on the cases of those on trial for dismissal from
the Church.

6 **Private Communications.** SECT. 8. A strictly
private communication from the Pastor Emeritus
to a member of her Church shall not be made
9 public without her written consent.

12 **Unauthorized Legal Action.** SECT. 9. A
member of this Church shall not employ an at-
torney, nor take legal action on a case not pro-
vided for in its By-Laws — if said case relates
to the person or to the property of Mary Baker
15 Eddy — without having personally conferred
with her on said subject.

18 **Duty to God.** SECT. 10. Members of this
Church who turn their attention from the divine
Principle of being to personality, sending gifts,
congratulatory despatches or letters to the Pastor
21 Emeritus on Thanksgiving, Christmas, New Year,
or Easter, break a rule of this Church and are
amenable therefor.

24 **Opportunity for Serving the Leader.** SECT. 11. At the written request of the Pastor Emeritus, Mrs. Eddy, the Board of Directors shall

Page 68

1 immediately notify a person who has been a
3 member of this Church at least three years to
 go in ten days to her, and it shall be the duty
6 of the member thus notified to remain with Mrs.
 Eddy three years consecutively. A member who
9 leaves her in less time without the Directors'
 consent or who declines to obey this call to
12 duty, upon Mrs. Eddy's complaint thereof shall
 be excommunicated from The Mother Church.
15 Members thus serving the Leader shall be paid
 semi-annually at the rate of one thousand dol-
 lars yearly in addition to rent and board. Those
 members whom she teaches the course in Divin-
 ity, and who remain with her three consecutive
 years, receive the degree of the Massachusetts
 Metaphysical College.

18 **Location.** SECT. 12. Rev. Mary Baker Eddy
 calls to her home or allows to visit or to locate
21 therein only those individuals whom she engages
 through the Christian Science Board of Direc-
 tors of the Mother Church. This By-Law takes
 effect on Dec. 15, 1908.

24 **Agreement Required.** SECT. 13. When the
 Christian Science Board of Directors calls a stu-
 dent in accordance with Article XXII, Sect. 11,
 of our Church Manual to the home of their

Page 69

1 Leader, Mrs. Eddy, said student shall come under
3 a signed agreement to remain with Mrs. Eddy
 if she so desires, during the time specified in the
 Church Manual.

6 **Incomplete Term of Service.** SECT. 14. If a
 student who has been called to serve our Leader
9 in accordance with Article XXII, Sect. 11, of
 the Church Manual leaves her before the expira-
12 tion of the time therein mentioned such student
 shall pay to Mrs. Eddy whatsoever she may
 charge for what she has taught him or her dur-
 ing the time of such service.

15 **Help.** SECT. 15. If the author of the Chris-
16 tian Science textbook call on this Board for
17 household help or a handmaid, the Board shall
18 immediately appoint a proper member of this
19 Church therefor, and the appointee shall go im-
20 mediately in obedience to the call. "He that lov-
21 eth father or mother more than me is not worthy
22 of me." (Matt. 10:37.)

21 **Students with Mrs. Eddy.** SECT. 16. Stu-
22 dents employed by Mrs. Eddy at her home shall
23 not take care of their churches or attend to other
24 affairs outside of her house.

Mrs. Eddy's Room. SECT. 17. The room in
27 The Mother Church formerly known as "Mother's
28 Room" shall hereafter be closed to visitors.

Page 70

1 **Pastor Emeritus to be Consulted.** SECT. 18.
2 The Mother Church shall not make a church By-
3 law, nor enter into a business transaction with a
4 Christian Scientist in the employ of Rev. Mary
5 Baker Eddy, without first consulting her on said
6 subject and adhering strictly to her advice thereon.

THE MOTHER CHURCH AND BRANCH CHURCHES

Article XXI I I

12 **Local Self-government.** SECTION 1. The
13 Mother Church of Christ, Scientist, shall assume
14 no general official control of other churches, and
15 it shall be controlled by none other.

15 Each Church of Christ, Scientist, shall have its
16 own form of government. No conference of
17 churches shall be held, unless it be when our
18 churches, located in the same State, convene to
19 confer on a statute of said State, or to confer
20 harmoniously on individual unity and action of
21 the churches in said State.

21 **Titles.** SECT. 2. "The First Church of
22 Christ, Scientist," is the legal title of The Mother

Page 71

1 Church. Branch churches of The Mother Church
2 may take the title of First Church of Christ,

3 Scientist; Second Church of Christ, Scientist;
and so on, where more than one church is es-
6 tablished in the same place; but the article
"The" must not be used before titles of branch
churches, nor written on applications for mem-
bership in naming such churches.

9 **Mother Church Unique.** SECT. 3. In its
relation to other Christian Science churches, in
its By-Laws and self-government, The Mother
12 Church stands alone; it occupies a position that
no other church can fill. Then for a branch
church to assume such position would be disas-
15 trous to Christian Science. Therefore, no Church
of Christ, Scientist, shall be considered loyal
that has branch churches or adopts The Mother
18 Church's form of government, except in such cases
as are specially allowed and named in this Manual.

21 **Tenets Copyrighted.** SECT. 4. Branch
churches shall not write the Tenets of The
Mother Church in their church books, except
they give the name of their author and her
24 permission to publish them as Tenets of The
Mother Church, copyrighted in SCIENCE AND
HEALTH WITH KEY TO THE SCRIPTURES.

Page 72

1 **Manual.** SECT. 5. Branch churches shall
not adopt, print, nor publish the Manual of The
3 Mother Church. See Article XXXV, Sect. 1.

Organizing Churches. SECT. 6. A member
of this Church who obeys its By-Laws and is a
6 loyal exemplary Christian Scientist working in
the Field, is eligible to form a church in con-
formity with Sect. 7 of this Article, and to
9 have church services conducted by reading the
SCRIPTURES and the Christian Science textbook.
This church shall be acknowledged publicly as a
12 Church of Christ, Scientist. Upon proper appli-
cation, made in accordance with the rules of The
Christian Science Publishing Society, the serv-
15 ices of such a church may be advertised in *The
Christian Science Journal*. The branch churches
shall be individual, and not more than two small
18 churches shall consolidate under one church gov-
ernment. If the Pastor Emeritus, Mrs. Eddy,
should relinquish her place as the head or Leader
21 of The Mother Church of Christ, Scientist, each
branch church shall continue its present form of
government in consonance with The Mother

24 Church Manual.

Requirements for Organizing Branch Churches. SECT. 7. A branch church of The
27 First Church of Christ, Scientist, Boston, Mass.,

Page 73

1 shall not be organized with less than sixteen loyal
3 Christian Scientists, four of whom are members
of The Mother Church. This membership shall
include at least one active practitioner whose card
is published in the list of practitioners in *The*
6 *Christian Science Journal*.

Privilege of Members. SECT. 8. Members
9 in good standing with The Mother Church, who
are members of the faculty, instructors, or stu-
dents in any university or college, can form and
conduct a Christian Science organization at such
12 university or college, provided its rules so permit.
Also members in good standing with The Mother
Church, who are graduates of said university
15 or college, may become members of the organ-
ization by application to, and by the unanimous
vote of, the active members present, if the rules
18 of the university or college so permit. When
called for, a member of the Board of Lecture-
ship may lecture for said university or college
21 organization.

No Close Communion. SECT. 9. The
24 Mother Church and the branch churches shall
not confine their membership to the pupils of
one teacher.

No Interference. SECT. 10. A member of The
27 Mother Church may be a member of one branch

Page 74

1 Church of Christ, Scientist, or of one Christian
3 Science society holding public services, but he
shall not be a member of both a branch church
and a society; neither shall he exercise super-
vision or control over any other church. In
6 Christian Science each branch church shall be
distinctly democratic in its government, and no
individual, and no other church shall interfere
9 with its affairs.

Teachers' and Practitioners' Offices. SECT. 11.
Teachers and practitioners of Christian Science

12 shall not have their offices or rooms in the branch
churches, in the reading rooms, nor in rooms
connected therewith.

15 **Recognition.** SECT. 12. In order to be eli-
gible to a card in *The Christian Science Journal*,
18 churches and societies are required to acknowl-
edge as such all other Christian Science churches
and societies advertised in said *Journal*, and to
21 maintain toward them an attitude of Christian
fellowship.

GUARDIANSHIP OF CHURCH FUNDS

Article XXIV

3 **Church Edifice a Testimonial.** SECTION 1.
Whereas, on March 20, 1895, the Christian Sci-
ence Board of Directors, in behalf of The
6 First Church of Christ, Scientist, Boston, Mass.,
presented to Rev. Mary Baker Eddy their
church edifice as a Testimonial of this Church's
9 love and gratitude, and she, with grateful ac-
knowledgments thereof, declined to receive this
munificent gift, she now understands the finan-
12 cial situation between the Christian Science
Board of Directors and said Church to be as
follows: —

15 **Financial Situation.** SECT. 2. The Christian
Science Board of Directors owns the church edi-
fices, with the land whereon they stand, legally;
18 and the Church members own the aforesaid
premises and buildings, beneficially. After the
first church was built, the balance of the build-
21 ing funds, which remained in the hands of the
Directors, belonged to the Church, and not solely
to the Directors. The balance of the church

Page 76

1 building funds, which can be spared after the
debts are paid, should remain on safe deposit,
3 to be hereafter used for the benefit of this
Church, as the right occasion may call for it.
The following indicates the proper management
6 of the Church funds: —

Report of Directors. SECT. 3. It shall be
the duty of the Christian Science Board of Di-

9 rectors to have the books of the Church Treas-
12 urer audited semi-annually, and to report at the
12 annual Church meeting the amount of funds
12 which the Church has on hand, the amount of
12 its indebtedness and of its expenditures for the
12 last year.

15 **Finance Committee.** SECT. 4. There shall
15 be a Committee on Finance, which shall consist of
18 three members of this Church in good standing.
18 Its members shall be appointed annually by the
18 Christian Science Board of Directors and with
21 the consent of the Pastor Emeritus. They shall
21 hold quarterly meetings and keep themselves
21 thoroughly informed as to the real estate owned
24 by this Church and the amount of funds received
24 by the Treasurer of The Mother Church, who is
24 individually responsible for said funds. They
24 shall have the books of the Christian Science

Page 77

1 Board of Directors and the books of the Church
3 Treasurer audited annually by an honest, com-
3 petent accountant. The books are to be audited
3 on May first.

6 Prior to paying bills against the Church, the
6 Treasurer of this Church shall submit them all
6 to said committee for examination. This com-
9 mittee shall decide thereupon by a unanimous
9 vote, and its endorsement of the bills shall render
9 them payable.

12 If it be found that the Church funds have not
12 been properly managed, it shall be the duty of
12 the Board of Directors and the Treasurer to be
15 individually responsible for the performance of
15 their several offices satisfactorily, and for the
15 proper distribution of the funds of which they
15 are the custodians.

18 **God's Requirement.** SECT. 5. God requires
18 wisdom, economy, and brotherly love to char-
21 acterize all the proceedings of the members of
21 The Mother Church, The First Church of Christ,
21 Scientist.

24 **Provision for the Future.** SECT. 6. In case
24 of any possible future deviation from duty, the
24 Committee on Finance shall visit the Board of
24 Directors, and, in a Christian spirit and manner,

1 demand that each member thereof comply with
the By-Laws of the Church. If any Director
3 fails to heed this admonition, he may be dis-
missed from office and the vacancy supplied by
the Board.

6 **Debt and Duty.** SECT. 7. The Mother Church
shall not be made legally responsible for the debts
of individuals except such debts as are specified
9 in its By-Laws. Donations from this Church
shall not be made without the written consent
of the Pastor Emeritus. Also important move-
12 ments of the manager of the Committee on Pub-
lication shall be sanctioned by the Board of
Directors and be subject to the approval of Mary
15 Baker Eddy. (See Article I, Sect. 6.)

Emergencies. SECT. 8. The Treasurer, per-
18 sonally, or through the Clerk of the Church,
may pay from the funds of the Church bills of
immediate necessity not exceeding \$200 for any
one transaction, and he may keep on deposit the
21 sum of \$500 with the Clerk, as a petty cash
fund, to be used by him for the payment of
such bills. Such payments shall be reported, on
24 the first of the following month, to the Board
of Directors and the Committee on Finance, for
their approval.

1 **Committee on Business.** SECT. 9. The Chris-
tian Science Board of Directors shall elect
3 annually a Committee on Business, which shall

6 promptly and efficiently such business as Mrs.
Eddy, the Directors, or the Committee on Pub-

bers of this Committee are engaged in the
transaction of the business assigned to them
they shall be paid from the Church funds.
12 Before being eligible for office the names of the
persons nominated for said office shall be pre-
sented to Mrs. Eddy for her written approval.

a strictly Christian basis, for the promotion of
3 the interests of Christian Science.

6 **Disposal of Funds.** SECT. 2. The net profits
of the business shall be paid over semi-annually
to the Treasurer of The Mother Church. He
shall hold this money subject to the order of
9 the Christian Science Board of Directors, which
is authorized to order its disposition only in
accordance with the By-Laws contained in this
Manual.

12 **Vacancies in Trusteeship.** SECT. 3. The
Christian Science Board of Directors shall have
the power to declare vacancies in said trusteeship,
15 for such reasons as to the Board may seem ex-
pedient.

18 Whenever a vacancy shall occur, the Pastor
Emeritus reserves the right to fill the same by
appointment; but if she does not elect to exer-
cise this right, the remaining trustees shall fill
21 the vacancy, subject to her approval.

24 **Editors and Manager.** SECT. 4. The term
of office for the editors and the manager of The
Christian Science Publishing Society is one year
each, dating from the time of election to the
office. Incumbents who have served one year or

1 more can be re-elected, or new officers elected,
by a unanimous vote of the Christian Science
3 Board of Directors, and the consent of the Pastor
Emeritus given in her own handwriting.

6 **Suitable Employees.** SECT. 5. A person
who is not accepted by the Pastor Emeritus and
the Christian Science Board of Directors as
suitable, shall in no manner be connected with

9 publishing her books, nor with editing or pub-
lishing *The Christian Science Journal*, *Christian*
12 *Science Sentinel*, *Der Herold der Christian Sci-*
ence, nor with The Christian Science Publishing
Society.

Periodicals. SECT. 6. Periodicals which

24 no evil speaking shall be allowed.

Publishing Society of The Mother Church selects,

Page 82

1 approves, and publishes the books and litera-
ture it sends forth. If Mary Baker Eddy disap-
3 proves of certain books or literature, the Society
will not publish them. The Committees on Publi-
cation are in no manner connected with these
6 functions. A book or an article of which Mrs.
Eddy is the author shall not be published nor
republished by this Society without her knowl-
9 edge or written consent.

Removal of Cards. SECT. 9. No cards shall
12 be removed from our periodicals without the re-

Members of this Church who practise other
18 professions or pursue other vocations, shall not
advertise as healers, excepting those members
who are officially engaged in the work of Chris-
tian Science, and they must devote ample time
21 for faithful practice.

Page 83

TEACHING CHRISTIAN SCIENCE

Article XXVI — TEACHERS

6 **Motive in Teaching.** SECTION 1. Teaching
Christian Science shall not be a question of
money, but of morals and religion, healing and
uplifting the race.

9 **Care of Pupils.** SECT. 2. Christian Scientists
who are teachers shall carefully select for pupils
such only as have good past records and promis-
12 ing proclivities toward Christian Science. A
teacher shall not assume personal control of, or
attempt to dominate his pupils, but he shall hold
15 himself morally obligated to promote their prog-
ress in the understanding of divine Principle, not
only during the class term but after it, and to
watch well that they prove sound in sentiment
18 and practical in Christian Science. He shall per-
sistently and patiently counsel his pupils in con-
formity with the unerring laws of God, and shall
21 enjoin them habitually to study the Scriptures
and SCIENCE AND HEALTH WITH KEY TO THE
SCRIPTURES as a help thereto.

Page 84

1 **Defense against Malpractice.** SECT. 3.
Teachers shall instruct their pupils how to de-
3 fend themselves against mental malpractice,
never to return evil for evil, but to know the
truth that makes free, and thus to be a law, not
6 unto others, but to themselves.

9 **Number of Pupils.** SECT. 4. The teachers of
Christian Science shall teach but one class yearly,
which class shall consist of not more than thirty
pupils. After 1907, the Board of Education shall
12 have one class triennially, a Normal class not
exceeding thirty pupils.

15 **Pupil's Tuition.** SECT. 5. A student's price
for teaching Christian Science shall not exceed
\$100.00 per pupil.

18 **Associations.** SECT. 6. The associations of the
pupils of loyal teachers shall convene annually.
The pupils shall be guided by the BIBLE, and
SCIENCE AND HEALTH, not by their teachers
21 personal views. Teachers shall not call their
pupils together, or assemble a selected number of
them, for more frequent meetings.

A Single Field of Labor. SECT. 7. A loyal

24 teacher of Christian Science shall not teach another loyal teacher's pupil, except it be in the Board of Education. Outside of this Board each

Page 85

1 student occupies only his own field of labor.
Pupils may visit each other's churches, and by
3 invitation attend each other's associations.

Caring for Pupils of Strayed Members.

6 SECT. 8. A loyal teacher of Christian Science may teach and receive into his association the pupils of another member of this Church who has so strayed as justly to be deemed, under the provisions of Article XII, Sect. 1, not ready to lead his pupils.

Teachers must have Certificates. SECT. 9.

12 A member of this Church shall not teach pupils Christian Science unless he has a certificate to show that he has been taught by Mrs. Eddy or
15 has taken a Normal Course at the Massachusetts Metaphysical College or in the Board of Education.

18 Such members who have not been continuously active and loyal Christian Scientists since receiving instruction as above, shall not teach
21 Christian Science without the approval of The Christian Science Board of Directors.

Page 86

Article XXVII — PUPILS

3 **Authorized to Teach.** SECTION 1. After a student's pupil has been duly authorized to be a teacher of Christian Science, or has been under
6 the personal instruction of Mrs. Eddy, he is no longer under the jurisdiction of his former teacher.

9 **Without Teachers.** SECT. 2. Those beloved brethren whose teacher has left them, can elect an experienced Christian Scientist,
12 who is not in charge of an association of students and who is ready for this high calling, to conduct the meetings of their association.
15

Basis for Teaching. SECT. 3. The teachers of the Normal class shall teach from the chapter

18 Recapitulation in SCIENCE AND HEALTH WITH
KEY TO THE SCRIPTURES, and from the Chris-
21 tian Science Platform, beginning on page 330 of
the revised editions since 1902, and they shall
teach nothing contrary thereto. The teachers
of the Primary class shall instruct their pupils
24 from the said chapter on "Recapitulation" only.

Page 87

1 **Church Membership.** SECT. 4. Neither the
Pastor Emeritus nor a member of this Church
3 shall teach Roman Catholics Christian Science,
except it be with the written consent of the
authority of their Church. Choice of patients is
6 left to the wisdom of the practitioner, and Mrs.
Eddy is not to be consulted on this subject.

9 **Class Teaching.** SECT. 5. Members of The
Mother Church who are authorized by its By-
Laws to teach Christian Science, shall not solicit,
or cause or permit others to solicit, pupils for their
12 classes. No member of this Church shall advise
against class instruction.

15 Teachers of Christian Science must have the
necessary moral and spiritual qualifications to
elucidate the Principle and rule of Christian Sci-
18 ence, through the higher meaning of the Scrip-
tures. "The less the teacher personally controls
other minds, and the more he trusts them to the
divine Truth and Love, the better it will be for
21 both teacher and student." (Retrospection and
Introspection, page 84.)

Page 88

essential to their progress.

Page 89

Education being found worthy, on receiving her
approval shall be elected to fill the vacancy.

Article XXIX —APPLICANTS AND GRADUATES

this fact, are eligible to receive the degree of
C.S.D.

18 **Qualifications.** SECT. 2. Loyal Christian
Scientists' pupils who so desire may apply to the
Board of Education for instruction; and if they
21 have practised Christian Science healing success-

1 the Normal class. All members of this class must
be thorough English scholars.

3 **Certificates.** SECT. 3. Students are examined
and given certificates by this Board if found
qualified to receive them.

classes shall be taught under the auspices of
this Board.

Special Instruction. SECT. 2. Not less than
18 two thorough lessons by a well qualified teacher
shall be given to each Normal class on the
subject of mental practice and *malpractice*. One
21 student in the class shall prepare a paper on
said subject that shall be read to the class,
thoroughly discussed, and understood; this paper

Page 91

1 shall be given to the teacher, and he shall not
allow it or a copy of it to remain, but shall
3 destroy this paper.

teacher and of the President of the College
6 shall be on all certificates issued.

Remuneration and Free Scholarship. SECT. 4.
9 Tuition of class instruction in the Board of

card of free scholarship from the President,
Rev. Mary Baker Eddy, shall be entitled to
12 a free course in this department on presenta-
tion of the card to the teacher. Only the

their diplomas are for three consecutive years
under Mrs. Eddy's daily conversation on Chris-

Page 92

1 tian Science, or from the Massachusetts Meta-
physical College Board of Education.

3 **Healing Better than Teaching.** SECT. 7.
Healing the sick and the sinner with Truth dem-
6 onstrates what we affirm of Christian Science,
and nothing can substitute this demonstration.
9 I recommend that each member of this Church
shall strive to demonstrate by his or her practice,
that Christian Science heals the sick quickly and
wholly, thus proving this Science to be all that
we claim for it.

12 If both husband and wife are found duly quali-
fied to teach Christian Science, either one, not
both, should teach yearly one class.

15 **Not Members of The Mother Church.** SECT. 8.
No person shall receive instructions in Chris-
18 tian Science in any class in the Massachusetts
Metaphysical College, nor receive the degree of
C.S.B. or C.S.D., who is not a member of The
21 First Church of Christ, Scientist, in Boston,
Mass.

Only those persons who are members of this
Church and possessed of the qualifications named
24 in Sect. 9 of Article XXVI of these By-Laws
shall be deemed loyal teachers of Christian
Science .

shall begin July 1 of each year.

Duty of Lecturers. SECT. 2. It is the duty
of the Board of Lectureship to include in each
12 lecture a true and just reply to public topics

before delivering them.

18 **No Disruption of Branch Churches.** SECT. 3.
The Board of Lectureship is not allowed in any-

Page 94

1 tion of branch churches. The lecturer can invite
churches within the city whither he is called to
3 unite in their attendance on his lecture, and so
make for their churches a less lecture fee; but
the churches shall decide their action.

6 **Receptions.** SECT. 4. As a rule there should
be no receptions nor festivities after a lecture on
Christian Science, but there may occur excep-
9 tions. If there be an individual who goes to hear
and deride truth, he should go away contemplat-
ing truth; and he who goes to seek truth should
12 have the opportunity to depart in quiet *thought*
on that subject.

15 **Circuit Lecturer.** SECT. 5. Upon the written
request of Mrs. Eddy, The Mother Church shall
appoint a Circuit Lecturer. His term of office, if

need is apparent, the Christian Science Board of
Directors of The Mother Church may call on
6 any member of this Board of Lectureship to
lecture at such places and at such times as the
cause of Christian Science demands.

9 **From Branch Churches.** SECT. 2. The
branch Churches of Christ, Scientist, may apply
through their clerks to a member of this Board
12 of Lectureship for a speaker, and one shall be
assigned them by the Board.

15 **From Societies.** SECT. 3. If called for, a
member of the Board may lecture for a Society.

18 **Annual Lectures.** SECT. 4. The Mother
Church and the branch churches shall call on
the Board of Lectureship annually for one or
more lectures.

21 **No Lectures by Readers.** SECT. 5. No lecture shall be given by a Reader during his term of Readership. The duties alone of a Reader are ample .

Page 96

6 shall be appointed by The Mother Church a Committee on Publication, which shall consist of one loyal Christian Scientist who lives in Boston, and he shall be manager of the Committees on Publication throughout the United States, Canada,
9 Great Britain and Ireland. He shall be elected annually by a unanimous vote of the Christian Science Board of Directors and the consent of
12 the Pastor Emeritus given in her own handwriting, and shall receive an annual salary, paid quarterly, of not less than four thousand dollars.

15 **Duties.** SECT. 2. It shall be the duty of the
18 Committee on Publication to correct in a Christian manner impositions on the public in regard to Christian Science, injustices done Mrs. Eddy or members of this Church by the daily press, by periodicals or circulated literature of any sort.

Page 98

1 This Committee on Publication shall be respon-
3 sible for correcting or having corrected a false
6 newspaper article which has not been replied to
9 by other Scientists, or which has been forwarded
12 to this Committee for the purpose of having him
15 reply to it. If the correction by the Committee
18 on Publication is not promptly published by the
21 periodical in which it is desirable that this cor-
rection shall appear, this Committee shall im-
mediately apply for aid to the Committee on
Business. Furthermore, the Committee on Pub-
lication shall read the *last proof sheet* of such
an article and see that it is published according
to copy; he shall circulate in large quantities
the papers containing such an article, sending a
copy to the Clerk of the Church. It shall also
be the duty of the Committee on Publication to
have published each year in a leading Boston
newspaper the letter sent to the Pastor Emeritus
by the Church members in annual meeting as-
sembled. The State Committees on Publication
act under the direction of this Committee on
Publication.

24 **In Branch Churches.** SECT. 3. The Readers
of the three largest branch churches in each State
of the United States and in Canada shall annually

Page 99

1 and alternately appoint a Committee on Publi-
3 cation to serve in their localities. For the pur-
6 poses of this By-Law, the State of California shall
9 be considered as though it were two States, the
12 dividing line being the 36th parallel of latitude.
Each county of Great Britain and Ireland, except
as hereinafter specified, through the Readers of
its three largest branch churches, shall annually
and alternately appoint a Committee on Publica-
tion to serve in its locality. Each church is not
necessarily confined to its own members in select-
ing this Committee, but if preferred, can appoint
a Committee on Publication who is in good fel-
lowship with another Church of Christ, Scientist.

15 This By-Law applies to all States except Mas-
18 sachusetts, in which the Committee on Publica-
tion is elected only by the Christian Science Board
of Directors. The Committee for the counties
in which London, England, is situated shall be
appointed by the Christian Science Board of

21 Directors, and he shall, in addition to his other
duties, act as District Manager of the Committees
on Publication for Great Britain and Ireland.

24 **Appointment.** SECT. 4. The Committees on
Publication shall consist of men generally. Each
State Committee shall be appointed by the First
27 and Second Readers of the church employing

Page 100

1 said Committee. If prior to the meeting of the
church for the election of officers, Mrs. Eddy
3 shall send to the First Reader of the church the
name of a candidate for its Committee on Publi-
cation, the Readers shall appoint said candidate.
6 Or if she shall send a special request to any
Committee on Publication, the request shall be
carried out according to her directions.

9 **Removal from Office.** SECT. 5. If the Com-
mittee on Publication neglects to fulfil the obli-
gations of his office according to these By-Laws,
12 and this becomes apparent to the Christian Sci-
ence Board of Directors, it shall be the duty of
the Directors immediately to act upon this im-
15 portant matter in accordance with said By-Laws.

The Christian Science Board of Directors may
18 notify any Church of Christ, Scientist, to remove
its Committee on Publication and to appoint an-
other Committee to fill the vacancy; and it shall
be the duty of that church to comply with this
21 request. In such cases it shall be the privilege
of this Board to name the Committee if it so
desires, and any Committee so named by the
24 Board shall be elected by the branch church.

Case of Necessity. SECT. 6. If a suitable
man is not obtainable for Committee on Publica-
27 tion, a suitable woman shall be elected. If at

Page 101

1 any time the Christian Science Board of Direc-

3 general Committee on Publication needs an as-
sistant, the Board shall, with the approval of the
Pastor Emeritus, appoint an assistant manager,
6 who shall receive an adequate salary from The
Mother Church.

Page 102

dismiss, or supply a vacancy of its members by
a majority vote.

12 **Designation of Deeds.** SECT. 2. All deeds
of further purchases of land for The First
Church of Christ, Scientist, in Boston, Mass.,
15 shall have named in them all the trusts mentioned
in the deeds given by Albert Metcalf and E.
Noyes Whitcomb in March, 1903; but this rule
18 shall not apply to land purchased for any purpose
other than the erection of a church edifice. Also
there shall be incorporated in all such deeds
the phrase, "Mary Baker Eddy's Church, The

Page 103

Mother Church or The First Church of Christ,
Scientist, in Boston, Mass."

3 **The Mother Church Building.** SECT. 3. The
edifice erected in 1894 for The First Church of
6 Christ, Scientist, in Boston, Mass., shall neither

CHURCH MANUAL

Article XXXV

3 **For The Mother Church Only.** SECTION 1.
The Church Manual of The First Church of
6 Christ, Scientist, in Boston, Mass., written by
Mary Baker Eddy and copyrighted, is adapted
to The Mother Church only. It stands alone,
9 uniquely adapted to form the budding thought
and hedge it about with divine Love. This
Manual shall not be revised without the written
consent of its author.

12 **Seventy-third Edition the Authority.** SECT. 2.
The Board of Directors, the Committee on Bible
15 Lessons, and the Board of Trustees shall each
keep a copy of the Seventy-third Edition and of
subsequent editions of the Church Manual; and
18 if a discrepancy appears in any revised edition,
these editions shall be cited as authority.

Special Instructions Regarding Applications for Church Membership

- 3 1. Loyal members of The Mother Church are eligible to approve candidates to unite with this Church.
- 6 2. No persons are eligible to countersign applications except loyal students of Mrs. Eddy, Directors, and students of the Board of Education who have been given a degree, and are members of The Mother Church.
- 9
- 12 3. Those who approve applicants should have applications returned to them after being filled out by the applicants, as required by Article V, Sect. 6, and should compare them with the forms here given, and see that names are legibly written, before sending them to the Clerk of the Church. If not correct, the applicant will be notified, and new applications will
- 15
- 18

Page 110

- 1 be required, as none will be returned that are not correctly made out. This requirement is to prevent applications being duplicated and the confusion that might result therefrom. It is important that these seemingly strict conditions be exactly complied with, as the names of the members of The Mother Church will be recorded in the history of the Church and become a part thereof.
