USA TODAY reaches over 123MM* of the most influential American consumers each month. Whether in print, online, mobile or tablet, we impact their decision-making---and their decision-making impacts millions more. These consumers are productive and goal-oriented. Ads on mobiles and ads on social networks both saw their levels of trust increase slightly, although admittedly this is from rather a low base. Trust is a hugely important factor in advertising success. If you don't trust someone, you generally don't take their advice, whereas if someone recommends something and you trust their judgement, you are far more likely to do it. If everyone trusted all advertising formats 100% then we'd all be getting ripped off by people using advertising for nefarious means. Advertising. Objectives. Ad Formats. Targeting. Measurement.
