My Very First Book of Colors by Eric Carle

My Very First Book of Colors is a classic children's board book written and illustrated by Eric Carle. It is the first book in his My Very First Library series, which includes My Very First Book of Shapes, My Very First Book of Numbers, and My Very First Books of Colors, Shapes, and Numbers.

The book is designed for young children learning their colors, shapes, and numbers. It features vibrant illustrations and simple, engaging text that children can read along with. The book encourages children to match the colors presented with objects that share that color, in a split-page board book full of fun and surprises. Free shipping on orders over $35 from Walmart.com.

Eric Carle's bold and vibrant artwork, combined with his signature bold and vibrant artwork, makes My Very First Book of Colors a favorite among children and parents alike. It is the perfect gift for young children learning their colors, shapes, and numbers.

My Very First Book of Colors is available in various formats, including hardcover, board book, and e-book. It is suitable for children aged 2-5 years old.

My Very First Book of Colors has received positive reviews from both children and parents. It has been praised for its ability to engage young children and help them learn about colors and shapes.

In conclusion, My Very First Book of Colors by Eric Carle is a delightful and educational book that will help young children learn about colors and shapes. It is a wonderful addition to any child's library and a great gift for any occasion.
My very first love C: Carly, N: Ned C: I first met Ned when I was just ten years old. He was sixteen, er, very good-looking, and of course he had a girlfriend a really beautiful girlfriend. I hated her. N: Hmm. Geography, First Grade DK Workbooks: Spelling, First Grade My Very First Library: My Very First Book of Colors, ...Documents. My Very First JOKE BOOK!Documents.
