Statement

As we enter the twenty-first century, the problem remains--and yet it, and the line that defines it, have shifted in subtle but significant ways. This brief book speaks powerfully to the question of how the circumstances of race "The problem of the twentieth century is the problem of the color-line," W. E. B. Du Bois wrote in 1903, and his words have proven sadly prophetic. As we enter the twenty-first century, the problem remains--and yet it, and the line that defines it, have shifted in subtle but significant ways.
