La Chaux-de-fonds. Jules Marcou (April 20, 1824 " April 17, 1898) was a French, Swiss and American geologist. He was born at
Salins, in the dÃ©partement of Jura, in France. He was educated at BesanÃ§on and at the CollÃ©ge Saint Louis, Paris. After completing
his studies, he made several excursions through Switzerland to recover his health. These trips led him to devote himself to natural
science. During these trips, he met Jules Thurmann (1804-1855), who in turn introduced him to Louis Agassiz.
