Read these key pieces of customer success career advice from top female leaders in the industry on International Women's Day.Â Think about the role of a scout on an expedition. The scout's job is to forge ahead of the group and report back on what can be anticipated or expected ahead. They play a proactive role that's pivotal to both helping optimize the journey and ensuring everyone avoids calamity. As your customer's scout, your job as a customer success manager (CSM) is to not only listen to what they say, but also pay attention to what they don't say.
