Subjects: Sociology, Technology, Law, History.Â Beginning in the mid-1980s, the task of uncovering the culture of nineteenth-century Russian peasant women involved a search for womenâ€™s voices in the ethnographic and literary sources of the time. Folk songs, proverbs, folktales and other expressions of oral culture, as well as the ritual practices associated with the life-cycle â€“ baptism, courtship and marriage and death â€“ recorded by educated observers and utilized in prose writing, infused life into otherwise faceless government statistics. The modern image of the peasant originated in Italy, in the 1820s, in the work of Leopold Robert, a Swiss, and Leopold Robert, a Frenchman, whose success created a vogue for the peasant genre, somewhat idealised. From the 1840s onwards a more realistic school of painters dedicated to peasant imagery arose in France, Germany and Vienna. This study embraces the work of artists to the end of the 19th century from countries including England, Norway, Holland and Hungary. Customer reviews. There are no customer reviews yet.
