British Policy towards the Soviet Union during the Second World War. \*3973 The United States, Great Britain and the Sovietization of Hungary, 1945-1948.

A perceptive and intelligent assessment of British policy in a complicated multinational context, as well as a comparative analysis of the policies of Britain, the United States, the Soviet Union, and several other states. . . . An important window on the complicated diplomacy surrounding the international origins of Israeli statehood.--Journal of American History.Â A major contribution to our understanding of how the DP issue and the Zionist's manipulation of it helped undermine the British policy in the Middle East.--Holocaust and Genocide Studies. This important new study illustrates how postwar British foreign policy was designed and pursued to prevent Jewish survivors of the Holocaust from emigrating from Europe to Palestine.
