Progressive Era. From Wikipedia, the free encyclopedia. See also: History of the United States (1865–1918) § Progressive Era. Many progressives supported prohibition in the United States, ostensibly to destroy the political power of local bosses based in saloons, but others out of a religious motivation.[2] At the same time, women's suffrage was promoted to bring a "purer" female vote into the arena.[3] A third theme was building an Efficiency Movement in every sector that could identify old ways. But many Progressives wanted actual policy made by experts who knew what was best for the people, not the people themselves. Progressive Era Politics through the lens of Labor. The Progressive Era was a difficult time to be a worker. While Progressives did try to make working conditions better for laborers, their efforts only yielded mixed results. Furthermore, workers' own actions sometimes proved more effective than the Progressive reforms enacted in their names. America never could've risen to its preeminent place in the world of industrial nations without the backbreaking toil of its workers in the 19th and 20th centuries. Unions organized to support similar reforms in other states. The Triumph of Conservatism. Recent studies have also indicated that Progressive reformers weren't solely responsible for enacting worker's compensation laws in the 1910s. The Progressive Reform Era. Published by Neal Preston Modified over 3 years ago. Embed. 2 The Origins of Progressivism The Big Idea Beginning in the late 1800s, reformers known as Progressive worked to try to solve the problems of American society. Progressive Era: The period from about 1890 to 1920, during which a variety of reforms were enacted at the local, state, and federal levels. 3 Origins of Progressivism During the Progressive Era, the period from about 1890 to 1920, reformers tried to alleviate the effects of industrialization, immigration, and urbanization. Their goals were to make government responsive to its citizens' needs; curb the power of wealthy interests; expan
