Step 5: Utilize marketing tools that work best for you. When deciding on a marketing strategy, implement one that fits your personality and the customers you serve. For instance, if you're terrified of getting up in front of a crowd, don't schedule yourself to participate on a panel in the hopes of generating business. You'll derail your efforts if you don't perform well. Identify the top two marketing tools you've used in the past that have worked for your company. Let's say that's cold calling and a Web site. Then start adding new ideas for a fresh perspective. Read reviews from world's largest community for readers. The author provides a complete account of de-regulation.
