D. H. Lawrence. Macmillan Readers. The author and his work. A short story of Lawrence's, *Odour of Chrysanthemums*, was published in a magazine called *The English Review*. After this, the publishing company, Heinemann, asked Lawrence to do more work. At the same time, he was working on his first novel, *The White Peacock*. Avid Herbert Lawrence was an important British writer of the twentieth century. However, aspects of his life and work were very shocking to society at that time. Many people did not approve of his books, especially of the way he wrote about men and women. They thought that Lawrence's work was pornographic because he wrote about romantic relationships in a new and shocking way. Here, Lawrence describes how humans view love as an object with fixed value, like a coin, and claims this is a lie about the nature of love. Lawrence believes it changes in value every year and that this is natural and the truth about love. *A Love Song*. This is a poem about a lover who the narrator wants to be with, but can't. He likely hasn't seen her in a while as he is forgetting details about her, but he still dreams about getting to be with her at night despite the time that has passed. Update this section! They entered the swelling stream of modern Buddhist emotion, and they read the books, and they practised meditation, and they deliberately set themselves to eliminate from their own souls greed, pain, and sorrow. They did not realise yet that Buddha's very eagerness to free himself from pain and sorrow is in itself a sort of greed. No, they dreamed of a perfect world, from which all greed, and nearly all pain, and a great deal of sorrow, were eliminated. But America entered the War, so the two idealists had to help.
