See human diversity stock video clips. of 1,064. adult character. Human Nature, Human Diversity. It is impossible to give a completely precise explanation of how any person gets to be the way that they are. Even if we could measure the position of every atom in your body, this wouldn't tell us much useful about who you are, only really obvious things like how tall you are or how much you weigh. In our people-watching, we sometimes wonder: Why is that person like that? Did someone deliberately teach them to act that way?
