The German Sniper: 1914-1945 by Peter R. Senich (1982-03-01). Peter R. Senich. 4.3 out of 5 stars 32.Â Th bible of the German sniper. I have nearly every book that is published on German sniping during World War 2, but I always seem to refer back to this book. So If your interested in the various scope mounts that were employed by the German forces then this is the book for you. Read more. By 1914, Germany had the greatest increase in military buildup. Great Britain and Germany both greatly increased their navies in this time period. Further, in Germany and Russia particularly, the military establishment began to have a greater influence on public policy.Â World War II, also known as the Second World War, was a global war that lasted from 1939 to 1945, although related conflicts began earlier. It involved the vast majority of the worldâ€™s nations, including all of the great powers, eventually forming two opposing military alliances, the Allies and the Axis.
