Fundamentals of Ethics - An Introduction to Moral Philosophy . Might moral judgments be nothing but expressions of sentiments? Throughout the course, students will be examining these and similar questions from the point .

There is a shortage of books on applied ethics, if not moral philosophy, and this one helps to fill that gap. Its style is that of a chatty lecture, with regular pauses to take notes, deal with possible "other viewpoints" and so on. There are even "dialogues" in the style of the Ancient Master himself, in which characters argue through certain ethical points. Over the course of the book, the reader will acquire a large vocabulary of ethical terms. Whether they will also, as promised, "think philosophically", I'm not so sure. It is a book in which the reader is invited to disagree, and there is much to disagree with here. Ethics: An Introduction to Moral Philosophy. By Noel Stewart. Polity.
