"This reference guide to genre fiction offers so much more than just a range of suggestions to assist readers' advisors." - VOYA. Read more.Â Genreflecting is also a great reference for writing or literature studies students who are studying genre - along with lists of authors that they can pursue, there are very lucid discussions of the genres, and it's a good starting point for assignments in this area. (I used it for this purpose at Uni, and liked it so much that I tried to buy a copy - unfortunately it was between editions at the time.)
