Introduction To The Theory Of Knowledge

D. J O'Connor Brian Carr

It is my hope that this volume may serve a purpose as an introduction to the theory of knowledge. While we have pretentious works covering the field of logic and An Introduction to the Theory of Knowledge - Dan O. - Google Books 20 Aug 2010. Epistemology, or “the theory of knowledge,” is concerned with how we know This comprehensive introduction to the field of epistemology.
The Theory of Knowledge. Chapter 1 Introduction to Knowledge. What is TOK about? Socrates said it many years ago. "The unexamined life is not worth living." TOK is about examination of the world around us. At the center of the book's deliberations there lies not only the potential for scientific progress but also the limit of science as well. This comprehensive introduction to the theory of knowledge addresses a myriad of topics, including the critique of skepticism, the nature of rationality, the possibility of science for extraterrestrial intelligences, and the prospect of insoluble issues in science.
