A fascinating exploration of humanity's eternal bond with animals, and an urgent call to answer the needs of millions of at-risk creatures A landmark work, The Bond is the passionate, insightful, and comprehensive examination of our special connection to all creatures, written by one of America's most important champions of animal welfare.Â Ebooks related to "The Bond: Our Kinship with Animals, Our Call to Defend Them" : Dog Medicine: How My Dog Saved Me from Myself Duck Pond Therefore, government has recognized our bond with our pets and now is acting on the necessity for disaster preparedness in the future to include these animals. Subsequent chapters cover examples of horrible pet abuse we probably were not aware of, abuse our own pets may have suffered before they came to us. The most surprising to me was Pacelle's indictment of the American Kennel Club (AKC). They seem more interested in the money they get when they grant AKC certification to puppies than in knowing how those puppies are living and whether they are healthy.Â My favorite chapter gave examples of statements people make to justify ignoring their bond with animals and doing nothing to help them. He gives simple arguments we can make when we are confronted with this.
