Deterrence - Google Books Result Köp boken Great American Gamble: Deterrence Theory and Practice from the Cold War to the Twenty-First Century av Keith B. Payne ISBN 9780977622177

The end of the Cold War and the demise of the Soviet Union have called into question all of the assumptions on which U.S. military strategy, and the role of nuclear weapons in that strategy, were based. Contributors to this volume offer diverse perspectives on the role of nuclear weapons in the new world order and on the implications of the new condition for U.S. security policy. George H. Quester reviews the nuclear history through which we have lived, especially the evolution of U.S. Cold War nuclear strategy and policy. We can derive some insights about the future of nuclear weapons and arm
